Introduction: Continuing with its tradition of preserving the environment and having eco-friendly activities, the "Tree Plantation Event" was conducted on the campus of PRMS Mahavidyalaya to celebrate Environmental Day on June 5, 2023.

Understanding the importance of nature for our existence and conserving nature in all its forms is our moral responsibility. It's not too hard to believe that without trees, we humans would not exist on this beautiful planet. Also, we have felt a change in purity in nature and a reduction in pollution effects during this pandemic situation.

While the latest technology has provided us with many benefits, the consequent urbanisation and industrialization also have some undesirable side effects; global warming is one of those. This event is a positive step towards achieving a healthy environment, reconnecting humans to nature, and fostering environmental stewardship.

Program Details: The event began with welcoming the principal and forest range officer, Mr. BhajanKirtan, and all faculties, staff, and students' participants at: More than 50 students, faculty, and staff members have participated in the event.

Dr. SubhasisMahato delivered a speech by wishing "Tree Plantation" as well as "Environmental Day." He shared the importance of nature and how we can protect it for the betterment of the future. The outlook towards nature must be changed from utility to ivinity. Trees are the most important part of natural resources. It is our moral responsibility to conserve it with the highest priority. Principal Dr. Nilangshu Ghosh added, We should not only save the trees but should put our equal efforts into planting and nurturing the trees at least for the next 4-5 years." He also explained the importance of such an event in developing a good virtue in one's life. After that, all of us collect all non-degradable products

from the campus and cline.

Overview on Swachh Bharat Abhiyan:

Swachh Bharat Abhiyan (Clean India Mission) is a nationwide campaign initiated by the Government of India in 2014, aiming to clean up the streets, roads, and infrastructure of Indian cities, towns, and rural areas. The mission emphasizes improving sanitation, eliminating open defecation, and promoting sustainable waste management practices. It was launched to commemorate the 150th birth anniversary of Mahatma Gandhi, who advocated for cleanliness and sanitation.

Necessity of Swachh Bharat Abhiyan:

1. **Reduction of Open Defecation:** Open defecation poses significant health risks, including the spread of infectious diseases and contamination of water sources. The mission aims to eliminate open defecation by constructing toilets and promoting their use, which is crucial for public health and dignity.
2. **Environmental Protection:** Unmanaged waste leads to pollution of land and water bodies. By promoting waste segregation, recycling, and proper disposal methods, Swachh Bharat Abhiyan helps protect the environment and promotes sustainable practice.
3. **Economic Benefits:** Improved sanitation leads to a healthier population, which in turn can reduce healthcare costs and increase productivity. Cleanliness also boosts tourism, as cleaner cities and tourist spots are more attractive to visitors.

Aims and Objectives of Swachh Bharat Abhiyan:

1. **Construction of Toilets:** Building household and public toilets to eliminate open defecation, particularly in rural areas and urban slums.
2. **Solid Waste Managements:** Establishing systems for waste segregation, collection, transportation, processing, and disposal. Promoting composting, recycling, and reduction of plastic use.
3. **Public Awareness Campaigns:** Conducting educational programs to raise awareness about the importance of cleanliness and hygiene. Using media, school programs, and community workshops to spread the messages.
4. **Behavioural Changes communication:** Encouraging behavioural changes through initiatives like the "Swachh Bharat Ambassadors" program, where public figures and community leaders promote the importance of sanitation.

REPORT

Bhognadi is a village in sahebganj district of Jharkhand. bhognadi was the main centre of the Santal Rebellion of 1855. On 30 June, a large number of Santals assembled in a field in bhognadi, they declared themselves as free and took oath under the leadership of Sidu Murmu and Kanhu Murmu to fight unto the last against the British rules as well as their agents. It started on June 30, 1855 and lasted until January 3, 1856 when the movement was brutally ended by troops loyal to the British. In the memory of Santal Hul (Rebellion), Hul Divas (Rebellion Day) is celebrated each year on the same date 30 June, especially among Santal tribes.

REPORT

[illegible]

Raghunath Murmu (5 May 1905 – 1 February 1982) was an Indian Santali writer and educator. He developed the Ol Chiki script for Santali language. Until the nineteenth century, Santali people had no written language and knowledge was transmitted orally from one generation to other. Later European researchers and Christian missionaries started to use Bengali, Odia, and Roman scripts to document the Santali language. However, Santalis did not have their own script. His development of the Ol Chiki script enriched the cultural identity of the Santali society. He wrote many songs, plays and school text books in the Ol Chiki script.

Raghunath Murmu was born on the day of Baisakhi Purnima (Buddha Purnima), 1905 in the Dandbose (Dahardih) village (near Rairangpur town) of Mayurbhanj State (now in Odisha), India.

He has not only given a new identity to the Santali society but also has laid an inspiration for other societies to create their own script. Because of this inspiration, many societies are now able to develop their own script. The Government of India has included the Santali language in the Eighth Schedule of the constitution of India on 22 December 2003. After that, many state governments of India, specifically West Bengal, Jharkhand, Odisha, and Bihar, gave recognition to the Santali language. The government of Jharkhand, Odisha, and West Bengal included the Santali language as a medium of instruction at the primary and high school levels in the Santal-dominated area. Many universities and colleges of Jharkhand, West Bengal and Odisha are now offering courses on the Santali literature using Ol Chiki script.

REPORT

The Santali language was included in the Eighth Schedule of the Indian Constitution. The day was December 22, 2003. With this inclusion, the Santali people were given written official recognition of their mother tongue in world history. This success was achieved after many hurdles, the efforts of many people, the goodwill of many people, and the struggle of Indian tribal society. Therefore, December 22 is a historically memorable day not only for the Indian tribal community but also for the entire Indian population.
