

Pandit Raghunath Murmu Smriti Mahavidyalaya

[UG and PG College]

A Govt. Aided and NAAC accredited Institute

3.5.1 Number of functional MoUs/linkages with institutions/ industries in India and abroad for internship, on-the-job training, project work, student / faculty exchange and collaborative research during the last five years.

We have placed 10 (ten) functionally active Memorandum of Understandings [MoU] during the submission of SSR. Unfortunately, only 7 (seven) of them were accepted initially sighting the reason that those were signed in the last half of June 2023 though that are within the assessment period.

In West Bengal each year the academic session starts from the 1st day of July and ends on 30th June next year. In that case, the 3 (three) MoUs that were discarded should have been taken into account. We have submitted the necessary documents proving they were active and functional. Bankura University has provided us necessary documents specifying the start and end dates for each academic Session.

It is also that, the MoUs were signed and executed accordingly that is within the assessment period. We are attaching all necessary documents to support our case.

HEI Input during submission of SSR: 10 (ten) number of MOUs

Recommended Input after DVV clarification: 07

Refined Input after organizing the data for appeal: 10
