

Pandit Raghunath Murmu Smriti Mahavidyalaya

[UG and PG College]

A Govt. Aided and NAAC accredited Institute

2.5.1 Mechanism of internal assessment is transparent and robust in terms of frequency and mode

Response

The college strictly bounds to the guidelines set by the affiliating University, Bankura University for both internal and external examinations. At the conclusion of each semester, the final examination is administered by Bankura University. In both the CBCS and NEP education systems, significant emphasis is placed on internal assessment to evaluate students' academic performance throughout the session to enhance the overall quality of education.

This College has a transparent and continuous internal assessment system. Marks in each paper are awarded through Internal Assessment and the rest are awarded by the university final examination.

Student performance is continuously assessed each semester through various means, including class tests, class assignments, seminar presentations, and viva voce etc. The college boasts an Examination Coordination Cell, responsible for organizing internal assessments for all semesters. A student needs to attend at least 75% of attendance in order to appear at the end semester examination. 10 marks are allotted for Internal Assessment of core courses and skill enhancement courses. Of which 5 marks are awarded on the basis of class attendance conducted by the concerned teachers.

Students are encouraged to discuss their doubts with relevant teachers, and returned home assignments contribute to the feedback loop. One internal assessment per course is conducted for each semester, and the schedule, duration, question pattern, and syllabus are communicated to students before the commencement of the examination.

Schedule and mode of Internal Examination is discussed in the departmental meeting for each department. Allocation of teachers for conducting, evaluating and uploading of Internal marks is also decided in the departmental Meeting. Detailed schedules for internal examinations are uploaded on the college website 7-10 days before the examinations as well as on the college & departmental notice board. The entire process of the evaluation process is completed within 10 days.
