5.1.2: Following capacity development and skills enhancement activities are organized for improving students' capability

- 1. Soft skills**
- 2. Language and communication skills**
- 3. Life skills (Yoga, physical fitness, health and hygiene, self-employment and entrepreneurial skills)**
- 4. ICT/Computing Skills**

5.1.2. Capacity development and skills enhancement activities.

Following Capacity development and skills enhancement activities were organized by the Pandit Raghunath Murmu Smriti Mahavidyalaya for improving students' capability.

1. Soft Skills: It includes interpersonal (people) skills, communication skills, listening skills, time management, problem-solving, leadership, and empathy. Soft skills are important for every job. To aid in the personality development of students, Pandit Raghunath Murmu Smriti Mahavidyalaya has organized various webinars, seminars, and wall magazine projects. The college also conducted add-on courses like 'Spoken English' for the development of the soft skills of the students.

2. Language and Communication Skills:

Language is a crucial element of communication, enabling effective interaction with others. The four main types of language and communication skills are listening, speaking, reading, and writing. Pandit Raghunath Murmu Smriti Mahavidyalaya has taken steps to enhance these skills in students by organizing various seminars, webinars, and add on courses. For the development of the communication skills of the students an additional course on 'Spoken English' was conducted by the department of English. The department of Sanskrit also organised seminars on 'Spoken Sanskrit'.

3. Life Skills (Yoga, Physical Fitness, Health and Hygiene, Self- Employment and Entrepreneurial Skills):

- Life skills encompass the abilities needed for adaptive and positive behaviour, allowing individuals to effectively manage daily demands and challenges. Pandit Raghunath Murmu Smriti Mahavidyalaya ensures its campuses remain clean by employing housekeeping staffs who regularly clean campus.
- To foster a better understanding of life skills, P. R. M. S. Mahavidyalaya has organized numerous webinars and

international seminars focused on improving mental and physical health.

- Additionally, the college has hosted awareness programs on topics such as Yoga, blood donation, HIV-AIDS, and Swachha Bharat Abhiyan. It has also organized blood donation drives, health check-up camps, COVID vaccination programs etc.
- The college features a well-equipped multi-gym center where students and faculty members regularly engage in physical fitness activities. The college authority also arranged Karate Training Programme for the students in order to keep them physically fit.
- For enhancing the life skills and self protection 'Women Protection and Safeguard Awareness Programme' was organized by the college.
- Additionally, add-on courses on Yoga, Identical of Local Medicinal Plants & Their Uses were conducted by the department of Sanskrit and department of Forestry.

About The Certification Course

From September 5, 2022 – December 5, 2022, at PRMS Mahavidyalaya, Baragari, Bankura, West Bengal, the "Certificate Course in Spoken English" was successfully held. Among the resource persons of the certificate course are Mr Anirban Ash, Mr Sadhan Rudra, Mr Bimalendu Mukherjee and Ms Rajanya Sinha Thakur. The program commenced with the PRMS Mahavidyalaya principal lighting a lamp. Mr Anirban Ash, the head of the Department of English delivered the welcome speech. Honorable Principal of the college also focused the objectives of this Certificate Course in Spoken English. At the end of the inauguration session, Mr. Sadhan Rudra then led a vote of appreciation to end the first portion of the inauguration ceremony. The certificate course started with a combination of knowledge from diversified fields of Spoken English. The certificates distributed to participants from P. R. M. S. Mahavidyalaya after successful completion of the course.

Participant's Profile: A total of 30 students from various Departments participated in this certificate course.

Feedback: We received good response from the students and also they gave very good feedback. All the lectures were very interactive and the facilitator answered many queries raised by the participants. All students expressed their gratitude to staff of department of English for Organizing Certificate Course in Spoken English.

Title: Certificate Course in Spoken English

		am
01. 12. 2022	Translation	9.00 am–10.00 am
05. 12. 2022	Assessment and Validatory Session	9.00 am–11.00 am

Assessment/Examination

1. Step1–PracticalExamination
2. Step2–Viva-voceconductedbythecollege

Certification/Award

The students will be given certificates/Awards from PRMS Mahavidyalaya after successful completion of the course.

Outcomes from the Course:

- Develop communicative competency in English
- Demonstrate conceptual understanding of English language structures through application in reading, writing, speaking and listening activities.
- Train and prepare for employment in corporate, media, English language teaching and content writing sectors.
- Exposure to opportunities, challenges and roles in job market.

SOME GLIMPSES OF THE CLASS

1.2 Speech organs (vocal organs)

- The parts of the human body involved in the production of speech.
- **The three cavities of the vocal tract:**
 - the pharynx (pharyngeal cavity),
 - the mouth (oral cavity),
 - the nose (nasal cavity).
- The air- stream coming from the lungs is modified in various ways in these cavities, resulting in the production of various sounds.

Areas of phonetics

- Speech production
(what do the speech organs do?)
- Speech acoustics
(what does the resulting speech signal look like?)
- Speech perception
(What are the acoustic properties that cause us to hear what we hear?)

ORGANS OF SPEECH

Principal
P.R.M.S. Mahavidyalaya
Baragari, P.O.- Jamboni,
Dist.- Bankura

Course specific outcome: Developed the basic concept of "Creative Writing"

Report on "Wall Magazine programme":--

The Department of English, Pandit Raghunath Murmu Smriti Mahavidyalaya published a Wall Magazine named "NIRJINI", on September 15, 2022 and done a vibrant celebration at college premise. Many articles, poems and photographs were written in the said magazine on that subject.

Dr Neelangshu Ghosh, honourable Principal of Pandit Raghunath Murmu Smriti Mahavidyalaya was present as the chief guest of the programme. He inaugurated the programme. Other faculties of the college were also present there. As a chief guest honourable Principal Dr Ghosh published the Wall Magazine in front of all bycutting the ribbon and delivered a motivational speech. He encouraged students to enhance their creative skills through various activities, such as writing poems, articles, stories, crafting, painting etc. He elaborated the significance of publication a Wall Magazine for the growth of students' mental and creative abilities as well as the betterment of our society. Many teachers of various departments of this institution were delivered short speeches about the goal and objectives to publishing Wall Magazine in college and encouraged students to do that each and every year. Prof Anirban Ash, as Head of the Department described the enthusiastic dedication to create this knowledge centric craft by the departmental students for publishing the Wall Magazine and gave thanks for their contribution. The Head of the Department explained the significance of the departmental wall magazine, named "NIRJINI". Other teachers of the department also deliver speeches on that day. Everyone participated this

Achanji-

There Are Many Days

There are many days when you have to cry
Yes even a day when you don't try.
There are days when you are in pain
But, without pain there is no gain.
If faith is high, you can touch the sky.
Just trust in god and things in store
You will get so much more.
Thank god and his blessings for you.
Be the Sun line and to the dew.

Kalyan Sen

Hungry

you live in luxury
Waste excess food again
The starving die of hunger,
They eat from the dustbin.

The dustbin is full of foods
The stomach of hungry is not filled
Someone eats in a five star hotel,
Others lives in small huts and can not eat.

People lying on the sidewalk
They do not dream of staying in the palace
They just want to satisfy their hunger
Their cries remain invisible to our eyes.

Thousands of living bodies in our society
Those who can't eat properly at once
So, don't waste any food unnecessarily
Food could satisfy someone's hunger.

A decision does not determine our success... Success depends on our dedication... if something is done with love, there is no work in this world that is not possible with human intelligence.

- Bikram Mishra

Life is that mountain where heights, crevices, defeats, erosion, subsidence are defeated us constantly. yet we have to keep our expectation intact.

- Madhumita Das

Illusion Of Night

On a dark black night
I was sitting at home
I have been staggering from insomnia for a long time.
Peace is due to the South wind of the night.

Wend says, lights go to the bed
I'm late at night
Wend says, what do you do,
When sleep does not come?

Today is the night full of moonlight
It is, light of full moon
I don't know in what power today,
But sleep has been destroyed.

Wendy falls in love with the night
The day becomes night
However today is the end of the day
In an a night life has been destroyed.

Farewell

After many months and spending several years
We are giving you farewell with eyes full of tears

There is no such place whole in the earth
That hold a Secured moment we together gave a time

More serious than us despite we friend
Inspiration welcoming we even gained

You are the most popular full of all cheer
We also love you so, you take care.

Giving you farewell, Sincerely take
Give me blessing, make me perfect.

O River

From beautiful women
As soon as two legs goes ahead
I hear your laughter in the river.
I am a bird for you
I have left the flight
Dead leaves drowned in your water
Achaman for you, holy bath.
Take off the clothes of happiness
I paved for you, teenager
The teenager steals from the eyes
Autumn down in your water.
If I walk in the river today,
That wings is broken near the river.
At the end of a yard hear will go
I have to go back to my house.
It is go back today with fever
Happy writing
Tomorrow a man will stand
A piece of river to be bone.

Ritik Ghosh

There are
seven a day
There are
But, without
If path is
Just trust
You will get
I will go
Be the end.

Farewell

Report of Wall Magazine 2022

The Department of history is one of the most active Department of P.R.M.S Mahavidyalaya in teaching learning and Co-curricular activities. The aim of our Department is to develop the all round development of our student and active participation in co-curricular activities. The department of History always tried to create opportunity for the development of writing skill among the students. The name of our wall magazine is "ITIHAS DARPON" and theme of wall magazine is local history published in 2022. The editorial board consists of 5 members namely Anup Kumar Mandal, Pradyot Kumar Hota, Dr. Bidyut Kumar Misra, Sukumar Sannigrahi and Basanta Satpati. The wall magazine is inaugurated by the Principal Dr. Neelamghosh Ghosh on 21/09/2022

Aims and objectives-

- To highlight the local history of South west, Bankura
- To aware the importance of the local history
- To develop the writing skill among the students
- To provide opportunity to the students for self-expression in written form.
- To develop and cultivate the literary taste and study habits in students
- Wall magazine often reflects the image of the educational institution through the articles presented by the students

The college emphasizes the importance of soft skills for professional success, particularly in enhancing effective communication and interpersonal abilities.

Recognizing the importance of these skills, several departments of college organised students' seminars in each academic session. During these seminars, students learn numerous techniques and strategies to improve their non-verbal communication. They are taught the importance of maintaining eye contact, using appropriate gestures, and exuding confidence through body language. These skills are highlighted as vital for building rapport, trust, and effectively conveying messages. Furthermore, the seminars focus on improving students' verbal communication skills. Key aspects such as active listening, clear articulation, and persuasive speaking are underscored. Students are encouraged to participate in discussions, debates, and presentations to practise and hone these skills.

The college recognizes that soft skills extend beyond just body language and communication. Consequently, the seminar also addressed other crucial areas such as teamwork, problem-solving, and leadership. Students were encouraged to engage in group activities to enhance their teamwork and collaboration abilities. They were also introduced to problem-solving techniques and encouraged to think critically and creatively.

To provide personalized attention and guidance, the college introduced a Mentor-Mentee concept, especially during the Corona period. This initiative offers mentoring sessions to students, giving them individualized feedback and support in developing their soft skills. The goal is to help students recognize their strengths and areas for improvement, offering the necessary assistance to enhance these skills.

The list of students' seminars is attached here.

[UG and PG College]

A Govt. Aided and NAAC accredited Institute

**LANGUAGE AND COMMUNICATION SKILLS
RELATED CAPACITY DEVELOPMENT AND SKILL
ENHANCEMENT ACTIVITIES ARE ORGANIZED FOR
IMPROVING STUDENTS' CAPACITY**

Language and Communication Skills:

Language is a crucial element of communication, enabling effective interaction with others. The four main types of language and communication skills are listening, speaking, reading, and writing. Pandit Raghunath Murmu Smriti Mahavidyalaya has taken steps to enhance these skills in students by organizing various seminars, webinars, and add on courses. For the development of the communication skills of the students an additional course on 'Spoken English' was conducted by the department of English. The department of Sanskrit also organised seminars on 'Spoken Sanskrit'. Beside these, courses related to language and communication skills are integrated in the curriculum.

PRMS MAHAVIDYALAYA

About The Certification Course

From September 5, 2022 – December 5, 2022, at PRMS Mahavidyalaya, Baragari, Bankura, West Bengal, the "Certificate Course in Spoken English" was successfully held. Among the resource persons of the certificate course are Mr Anirban Ash, Mr Sadhan Rudra, Mr Bimalendu Mukherjee and Ms Rajanya Sinha Thakur. The program commenced with the PRMS Mahavidyalaya principal lighting a lamp. Mr Anirban Ash, the head of the Department of English delivered the welcome speech. Honorable Principal of the college also focused the objectives of this Certificate Course in Spoken English. At the end of the inauguration session, Mr. Sadhan Rudra then led a vote of appreciation to end the first portion of the inauguration ceremony. The certificate course started with a combination of knowledge from diversified fields of Spoken English. The certificates distributed to participants from P. R. M. S. Mahavidyalaya after successful completion of the course.

Participant's Profile: A total of 30 students from various Departments participated in this certificate course.

Feedback: We received good response from the students and also they gave very good feedback. All the lectures were very interactive and the facilitator answered many queries raised by the participants. All students expressed their gratitude to staff of department of English for Organizing Certificate Course in Spoken English.

Title: Certificate Course in Spoken English

In 2022-2023, PRMS Mahavidyalaya is offering this specialized training program which is certified by the College itself.

		am
01. 12. 2022	Translation	9.00 am–10.00 am
05. 12. 2022	Assessment and Validatory Session	9.00 am–11.00 am

Assessment/Examination

1. Step1–PracticalExamination
2. Step2–Viva-voceconductedbythecollege

Certification/Award

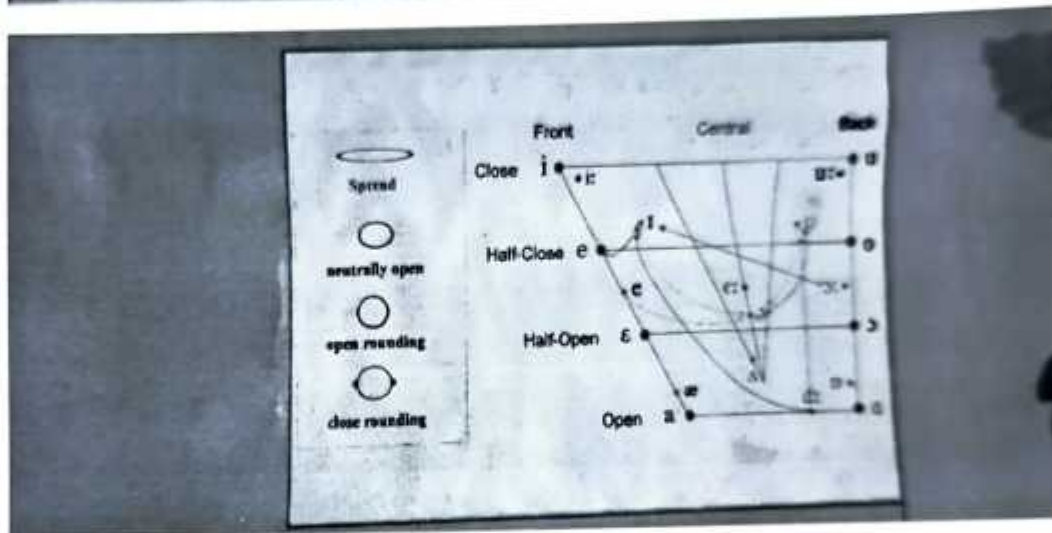

The students will be given certificates/Awards from PRMS Mahavidyalaya after successful completion of the course.

Outcomes from the Course:

- Develop communicative competency in English
- Demonstrate conceptual understanding of English language structures through application in reading, writing, speaking and listening activities.
- Train and prepare for employment in corporate, media, English language teaching and content writing sectors.
- Exposure to opportunities, challenges and roles in job market.

SOME GLIMPSES OF THE CLASS

1.2 Speech organs (vocal organs)

- The parts of the human body involved in the production of speech.
- **The three cavities of the vocal tract:**
 - the pharynx (pharyngeal cavity),
 - the mouth (oral cavity),
 - the nose (nasal cavity).
- The air-stream coming from the lungs is modified in various ways in these cavities, resulting in the production of various sounds.

Areas of phonetics

- Speech production
(what do the speech organs do?)
- Speech acoustics
(what does the resulting speech signal look like?)
- Speech perception
(What are the acoustic properties that cause us to hear what we hear?)

ORGANS OF SPEECH

VOCAL CORDS

Course Title (Generic Elective): Language and Linguistics

OR

Media and COMMUNICATIONS Skills

(To be opted by students from other departments)

Course Code: AH/ENG/404/OE-4

Credit: 06

Contact Hours/week: 06

Maximum Marks: 50 (ESE-40; IA-10)

Examination Duration: 2 Hours

I Language and Linguistics

Course Objectives

- To enable students to engage with the various definitions of language
- To introduce students to the unique features of human language, the various functions a language performs and the roles assigned to it
- To train students in exploring language as a mechanism of communication
- To understand the existence of language in the form of diverse dialects based on a set of established conventions and factors
- To understand the functions of speech mechanism and be able to identify the organs of speech
- To learn the description and classification of English vowel and consonant sounds and identify stressed syllables in words and sentences
- To be familiarised with phonemic transcription

Principal
P.R.M.S. Mahavidyalaya
P.O.-Jamboni, Dist.-Bankura

Course Outcomes

- This course introduces students to the various definitions of language as provided by linguists and scholars, the unique features of human language, the relation between language and communication, language varieties and language change. They will learn to understand and explore the many features and functions of language.
- Students will learn to engage with the use of language as a mechanism of communication. By using language in different forms, they will develop the ability to communicate in diverse social spaces with diverse sets of people.
- Students will be trained in the speech mechanism and sound system of English language. They will be able to identify and use sound symbols for consonant and vowel sounds and develop the skill to transcribe these in words for the purpose of correct pronunciation. They will get rudimentary training in English phonetics and be able to consult a dictionary for correct pronunciation.
- Students will understand how languages exist in a matrix of continuum, how they shift and grow in conversing, influencing and borrowing from each other, through translations in many formats, and thus cultivate a curiosity and openness to other languages.
- Having cultivated skills in communication, students will gain confidence in their enhanced capacity to use the English language in different setups and become eligible for jobs that require communicative proficiency in English, an ever expanding sector in India.

Course Content:

1. Language:

What is language; unique features of human language; language and communication; language varieties: standard and non-standard language; language change.

2. Phonetics:

Overview of Articulatory Phonetics

Functions of speech mechanism, the organs of speech

Description and classification of English vowel and consonant sounds

Phonemes, three term description of phonemes

3. Phonology and Phonemic Transcription:

The Phonology of English

Phonemic transcription of consonant and vowel sounds in English

Word-Stress in English

II Media and Communication Skills

Course Objectives:

- To cultivate in students the professional ability to communicate information clearly and effectively in all kinds of environments and contexts.
- To introduce them to the ever-burgeoning matrix of media in its multiple, emergent modes, acquainting them with the tools and techniques of navigating these modes, the related conventions

Principal
P.R.M.S. Mahavidyalaya
P.O.-Iamboni, Dist.-Bankura

and ethical questions, thus preparing them for career opportunities in print and electronic media as also in advertising.

- To inculcate critical thinking, reflections on and questioning of the role of the media in representing, eluding, curating and shaping the news and realities of our contemporary context
- To prepare students for entrepreneurial ventures in this emergent domain, especially in advertising and creating content on cyber media

Course Outcomes:

- The course enables students to demonstrate practical skills in various types of media writing, as also participate with clarity, communicative skill and confidence in media-related programmes and group discussions
- It skills students in technologies, aesthetics and ethics of the new media, familiarising them with practices of social media and the hypermedia
- The course trains students to critically analyse the ways in which the media in its multiple modes reflect, represent, mediate, influence and shape the contemporary world
- Prepares students for careers in print and electronic media
- Hopes to hone students' entrepreneurial skills in the ever-burgeoning world of media, as content-creators of blogs/vlogs and social influencers

Course Content:

1. Introduction to Mass Communication
 - i. Mass Communication and Globalization
 - ii. Forms of Mass Communication

Topics for Student Presentations:

- a. Case studies on current issues in Indian journalism
- b. Performing skits/street plays
- c. Writing pamphlets and posters etc.

2. Advertisement

- i. Types of advertisements
- ii. Advertising ethics
- iii. How to create advertisements/storyboards

Principal
P.R.M.S. Mahavidyalaya
P.O.-Iamboni, Dist.-Bankura

Topics for Student Presentations:

- Creating an advertisement/visualization
- Enacting an advertisement in a group
- Creating jingles and/or taglines

3. Introduction to Cyber Media and Social Media

- Types of Social Media
- The Impact of Social Media
- Introduction to Cyber Media

Marks Division:

The course will have an Internal Assessment Test of 10 marks.

Question Pattern for End Semester Examination: Total 40 marks

1 question worth 10 marks out of 2 questions to be attempted from each of the Units 1, 2 and 3: 3x10=30

5 questions worth 2 marks each out of 10 questions to be attempted from units 1 and 2: 5x2=10

SEMESTER – I

Course Title (Ability Enhancement Course): Compulsory English: Literature and Communication

Course Code: ACS/105/AEC-1

Credit: 02

Contact Hours/week: 02

Maximum Marks: 50 (ESE-40; IA-10)

Examination Duration: 2 Hours

Course Objectives:

- To train the students in various modes, methods, tools and types of communication in English in order to enhance their communication skills in diverse social setups
- To introduce students to the theory and fundamentals of communication and develop in them skills for clear and effective communication integral to personal, social and professional interactions
- To achieve competence in the English language with special emphasis on communication skills and exposure to literary application of the language
- To inculcate holistic and multidisciplinary education by making students across disciplines familiar with some representative specimens of English poetry and prose composed across various regions and periods
- To build in students the confidence of oral and interpersonal communication in various contexts by inculcating in them skills related to interview, group discussions and public speech through interactive modes of teaching-learning
- To provide a reflective understanding of the structure and complexity of the English language and literature
- To acquaint learners with the basic concepts of English Grammar and take remedial steps towards correcting errors that might creep in while learning English as a foreign language

Course Outcomes:

- The course will enable students to interact in personal and professional environments with enhanced LSRW skills.
- Students will acquire and demonstrate the core linguistic skills, including that of close critical reading.
- On successful completion of the course, students will develop skills to communicate with confidence and clarity with diverse audiences in all forms – oral and written.
- They will gain language proficiency by learning to engage with the rhetorical features of poetic language.

Principal
P.R.M.S. Mahavidyalaya
P.O.-Jamboni, Dist.-Bankura

- The course will enable students to write English in a clear and concise manner
- They will be trained and prepared for employment across diverse sectors in the job market, including in the service and corporate sectors, as also across media and the domains of English language teaching and content writing
- Learners will be able to use English for all practical purposes and demonstrate positive group communication exchanges, facilitating coordination/collaboration in diverse teams
- The course will kindle students across disciplines with an interest in literatures written in English and enhance their literary critical skills, enabling a holistic multidisciplinary perspective

Course Content:

1. Critical Reading (20)

Poetry

Sir Philip Sidney: Sonnet No. 1 from *Astrophel and Stella*

Andrew Marvell: "To His Coy Mistress"

William Wordsworth: "Three Years She Grew"

Prose

R.K. Narayan: "A Snake in the Grass"

Stephen Leacock: "With the Photographer"

2. Language and Communication (5)

What is communication – stages of communication

Modes of communication e.g. Verbal and Non-verbal (Spoken and Written)

Personal, Social and Business Communication

Barriers and Strategies

Communication in real life situations (at the bank, railway station, travel agency, educational institutions, customer care centres, health centres, etc.)

3. Structure of the English Language: Grammar and Vocabulary (10)

Parts of speech

Articles

Tense

Idioms, Phrasal Verbs

Vocabulary, synonyms, antonyms, one word substitution (from the prescribed texts)

Making sentences with words (from the prescribed texts)

4. Reading Skills (5)

Close Reading and Comprehension (passage with short questions & vocabulary test)

REPORT

Health awareness program by the National Service Scheme (NSS) at Pandit Raghunath Murmu Smriti Mahavidyalaya (PRMS Mahavidyalaya). Incidence of disease is significantly reduced by Health Awareness. We empower individuals with knowledge to choose healthy habits and make modifications in lifestyle which reduce morbidity.

OBJECTIVES

The program focused on diverse health topics to provide awareness to the communities and increase their levels of Health Literacy. Our focus areas are Health & Hygiene, Hand Washing, Menstrual Hygiene, Oral Hygiene, Nutrition, Dengue, Breastfeeding, Anemia, Tobacco Sensitization, Immunization and Cancer. We have been able to influence lives of more than 345 individuals till now. The chief guest was Dr. Payel Mahapatra, Medical College Hospital, Bankura, provide a valuable lecture regarding this matter.

OUTCOMES

- The purpose was to sensitize students about the need of preventing diseases and promotion of health by practicing personal and environmental hygienic measures and eating balanced diet in day today life
- Various activities like informative talks, role play, quiz, group songs in local languages were organized to install awareness on prevention of diseases and promotion of health.

Community Awareness Program in Collaboration with Krishnapur Primary School

Introduction

The community awareness program initiated in collaboration with Krishnapur (Adopted Village) Primary School aims to promote knowledge, awareness, and involvement in various social, environmental, and educational initiatives within the local community. The program focuses on engaging students, parents, and community members to foster a sense of responsibility and activism towards issues that directly impact their immediate surroundings.

Objectives

Educational Outreach: To educate students and community members about important social and environmental issues through interactive workshops, seminars, and educational materials.

Community Engagement: To foster a sense of involvement and responsibility within the community towards addressing local challenges and promoting positive change.

Partnership Building: To establish a strong and sustainable partnership between Krishnapur Primary School and the local community for active collaboration on various initiatives.

Empowerment and Action: To empower students and community members to take actionable steps towards improving their community by instilling a sense of ownership and pride.

Program Components

The community awareness program comprises the following components:

1. Educational Workshops

Baragari (P. More): P.O. – Jamboni
Dist. Bankura : Pin – 722150

Pandit Raghunath Murmu Smriti Mahavidyalaya

[UG and PG College]
A Govt. Aided and NAAC accredited Institute

Conducting workshops on topics such as environmental conservation, health and hygiene, and civic responsibilities.

Engaging students in hands-on learning activities to instill practical understanding of the subject matter.

2. Awareness Campaigns

Organizing awareness campaigns on issues like waste management, water conservation, and the importance of a clean and green environment.

Distributing informational materials and promoting dialogue on related topics.

3. Parental Involvement

Encouraging parental involvement through information sessions on child development, education, and the importance of family participation in community activities.

4. Building Partnerships

Collaborating with local organizations and NSS to support the program's initiatives and foster a sense of community belonging.

5. Interactive Events

Hosting interactive events such as community clean-up drives, tree planting initiatives, and art exhibitions to showcase community efforts and achievements.

Expected Outcomes

Increased awareness and knowledge among little students and community members on pertinent social and environmental issues.

Enhanced community engagement and participation in local initiatives for the betterment of the community.

Strengthened partnership between Krishnapur Primary School and the surrounding community, leading to sustained collaborative efforts.

Conclusion

The community awareness program in collaboration with Krishnapur Primary School is driven by the aim to empower individuals with knowledge and inspire a sense of responsibility toward community development. By fostering partnerships, engagement, and

Pandit Raghunath Murmu Smriti Mahavidyalaya

[UG and PG College]

education, the program seeks to create a self-reliant and proactive community that takes pride in contributing to positive change. NSS Unit of PRMSM promises to do all needful for the community development of Jangal Mahal.

This initiative holds the potential to not only benefit the immediate community but also serve as a model for similar endeavours in other regions, promoting a culture of responsible citizenship and community involvement.

REPORT

Health awareness program by the National Service Scheme (NSS) at Pandit Raghunath Murmu Smriti Mahavidyalaya (PRMS Mahavidyalaya). Incidence of disease is significantly reduced by Health Awareness. We empower individuals with knowledge to choose healthy habits and make modifications in lifestyle which reduce morbidity.

OBJECTIVES

The program focused on diverse health topics to provide awareness to the communities and increase their levels of Health Literacy. Our focus areas are Health & Hygiene, Hand Washing, Menstrual Hygiene, Oral Hygiene, Nutrition, Dengue, Breastfeeding, Anemia, Tobacco Sensitization, Immunization and Cancer. We have been able to influence lives of more than 345 individuals till now. The chief guest was Dr. Payel Mahapatra, Medical College Hospital, Bankura, provide a valuable lecture regarding this matter.

OUTCOMES

- The purpose was to sensitize students about the need of preventing diseases and promotion of health by practicing personal and environmental hygienic measures and eating balanced diet in day today life
- Various activities like informative talks, role play, quiz, group songs in local languages were organized to install awareness on prevention of diseases and promotion of health.

Overview on Swachh Bharat Abhiyan:

Swachh Bharat Abhiyan (Clean India Mission) is a nationwide campaign initiated by the Government of India in 2014, aiming to clean up the streets, roads, and infrastructure of India's cities, towns, and rural areas. The mission emphasizes improving sanitation, eliminating open defecation, and promoting sustainable waste management practices. It was launched to commemorate the 150th birth anniversary of Mahatma Gandhi, who advocated for cleanliness and sanitation.

Necessity of Swachh Bharat Abhiyan:

1. **Reduction of Open Defecation:** Open defecation poses significant health risks, including the spread of infectious diseases and contamination of water sources. The mission aims to eliminate open defecation by constructing toilets and promoting their use, which is crucial for public health and dignity.
2. **Environmental Protection:** Unmanaged waste leads to pollution of land and water bodies. By promoting waste segregation, recycling, and proper disposal methods, Swachh Bharat Abhiyan helps protect the environment and promotes sustainable practice.
3. **Economic Benefits:** Improved sanitation leads to a healthier population, which in turn can reduce healthcare costs and increase productivity. Cleanliness also boosts tourism, as cleaner cities and tourist spots are more attractive to visitors.
4. **Behavioural Changes:** The mission emphasizes changing attitudes towards cleanliness and sanitation through education and awareness campaigns. Encouraging personal responsibility for cleanliness can lead to long-term societal benefits.
5. **Public Health Improvement:** Poor sanitation is a leading cause of diseases like diarrhoea, cholera, and dysentery, particularly affecting children. Improved sanitation facilities reduce the prevalence of these diseases, contributing to better overall public health.
6. **Community empowerment:** Involving local communities in sanitation efforts empowers them to take charge of their environment. Community-led initiatives and participation ensure the sustainability of cleanliness efforts.

Aims and Objectives of Swachh Bharat Abhiyan:

1. **Construction of Toilets:** Building household and public toilets to eliminate open defecation, particularly in rural areas and urban slums.

Pandit Raghunath Murmu Smriti Mahavidyalaya

[UG and PG College]

3. **Public Awareness Campaigns:** Conducting educational programs to raise awareness about the importance of cleanliness and hygiene. Using media, school programs, and community workshops to spread the messages.
4. **Behavioural Changes communication:** Encouraging behavioral changes through initiatives like the "Swachh Bharat Ambassadors" program, where public figures and community leaders promote the importance of sanitation.
5. **Involvement of Technology:** Utilizing technology for monitoring and managing waste, as well as for spreading awareness through digital platforms.
6. **Corporate and NGO Participation:** Encouraging partnerships with businesses and non-governmental organizations to support sanitation projects and contribute resource.

CONCLUSION:

Swachh Bharat Abhiyan is a crucial initiative for improving sanitation and hygiene in India. Its success hinges on the active participation of all sectors of society, including government, communities, businesses, and individuals. By addressing the critical issues of waste management and open defecation, the mission aims to create a cleaner, healthier, and more sustainable environment for future generations. The long-term benefits of this initiative, such as improved public health, environmental protection, and economic gains, underscore its importance for the nation's development.

Ref. No.:

Date: 28/09/2021

:- বিজ্ঞপ্তি :-

এখনো পর্যন্ত যে সকল ছাত্র-ছাত্রী GOOGLE FORM এর মাধ্যমে ভ্যাকসিনেশনের ইনফরমেশন পাঠিয়েছে, তাদের মধ্য থেকে প্রথম ক্যাম্পের পর নিম্নলিখিত 300 জন ছাত্র-ছাত্রীদের প্রথম ডোজ দেওয়া হবে আগামীকাল অর্থাৎ ২৯.০৯.২০২১ সকাল ১০:০০ থেকে। লিস্টে থাকা ছাত্র-ছাত্রীদের কলেজে (VCCINATION CAMP) এসে ভ্যাকসিন নেওয়ার জন্য বলা হচ্ছে।

* ভ্যাকসিন নেওয়ার জন্য CO WIN PORTAL-এ রেজিস্ট্রেশন করিয়ে রাখার জন্য নির্দেশ দেওয়া হচ্ছে।

* ভ্যাকসিন নেওয়ার জন্য অবশ্যই সঙ্গে আধার কার্ড এবং মোবাইল নিয়ে আসতে হবে।

**a report on a one-day international webinar on
"MOLECULAR TARGETS IN CANCER THERAPY"**

HELD ON 12th July 2021

AT ZOOM Platform (Online)

PROGRAMME DETAILS:

Title: Molecular targets in cancer Therapy

Chairman: Dr. Neelangshu Ghosh, Principal, PRMS Mahavidyalaya, Bankura

Patron: Mr. Birendranath Tudu, President of G.B, PRMS Mahavidyalaya, Bankura

Speakers: 1.Dr. Malay Patra, Reader,

Department of Chemical Sciences, TIFR, Mumbai

Title-Towards next generation broad spectrum anticancer therapeutics.

2.Dr. Sibaprasad Maity

Postdoctoral Research Fellow

Creighton University, USA

Title-Therapeutic peptide for skin cancer.

Organizing Committee : Mr. Anirban Ash, Co-ordinator, I.Q.A.C& Asst. Prof. ,Dept. of English

Dr. Madhumita Hazra, Convenor, Asst. Prof., Department of Chemistry

Mr. Kartick Mondal, Member, Asst. Prof., Dept. of Mathematics

Mr. Tapas Halder ,Member, Asst. Prof. ,Dept. of Mathematics

Mr. Tapas Sangiri , Technical Advisor , SACT, Dept. of Computer Science

PROGRAMME OBJECTIVE:

The COVID-19 pandemic in India is a part of the global pandemic of coronavirus disease 2019 (COVID-19) caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). Lockdown was declared in Kerala on 23 March, and in the rest of the nation on 25 March, 2020. In this time, patients with cancer have been disproportionately affected by the COVID-19 pandemic. This effect has included the adverse outcomes in patients with cancer who develop COVID-19, the impact of the COVID19 pandemic on the delivery of cancer care, and the severe disruption to cancer research. However, patients with cancer are a heterogeneous population, and recent studies have now documented factors that allow risk stratification of patients with cancer in order to optimize care. In this webinar, we highlight data at the intersection of COVID-19 and cancer, including the biological interplay between the two diseases and practical recommendations for the treatment of patients with cancer during the pandemic. We additionally discuss the potential long-lasting impact of the pandemic on cancer care due to its deleterious effect on cancer research, as well as biological insights from the cancer research community that could help develop novel therapies for all patients with COVID-19.

PROGRAMME OUTCOME :

Cancer is the uncontrolled growth of abnormal cells anywhere in the body. These abnormal cells are termed cancer cells, malignant cells, or tumour cells. These cells can infiltrate normal body tissues. Many cancers and the abnormal cells that compose the cancer tissue are further identified by the name of the tissue that the abnormal cells originated from (for example, breast cancer, lung cancer, and colorectal cancer). When damaged or unrepaired cells do not die and become cancer cells and show uncontrolled division and growth - a mass of cancer cells develop. Frequently, cancer cells can break away from this original mass of cells, travel through the blood and lymph systems, and lodge in other organs where they can again repeat the uncontrolled growth cycle. This process of cancer cells leaving an area and growing in another body area is termed metastatic spread or metastasis. For example, if breast cancer cells spread to a bone, it means that the individual has metastatic breast cancer to bone. The present webinar delighted about the following points-(i) What is cancer? (ii) Cancer and its molecular basis (iii) What are the common cancers of human body? (iv) What are the common causes of cancers? (v) Screening for cancer (vi) How is cancer treated? (vii) Prevention of cancer. To support the cause, Dr. Madhumita Hazra organized a seminar on Cancer Awareness on 12th July 2021. This interactive event was attended by Dr. Neelangshu Ghosh, Principal, PRMS Mahavidyalaya, Bankura, many faculty members and nearly 100 students. The speaker for the same was Dr. Malay Patra, Reader, Department of Chemical Sciences, TIFR, Mumbai who works in the field of anticancer therapeutics. Beginning with a general outlook on all types of cancers, Dr. Patra moved on to talk about the lifestyle changes that are resulting in an increase in cancer cases. He highlighted the importance of regular self-inspection and clinical self examination for the early detection of cancer as 80% cases are detected at the advanced stage. He also threw light upon the symptoms of cancer, different drugs used and

the preventive measures to be taken in order to reduce the risk of this disease. In the end, questions from the audience were taken up and which is very interesting. Then other lecture was delivered by our abroad speaker Dr. Sibaprasad Maity, Postdoctoral Research Fellow, Creighton University, USA, on skin cancer. He said skin Cancer is an alerting issue and it must be detected as early as possible. The diagnostic is a manual process that is time consuming as well as expensive. But, today's world science has become advanced by using machine learning make easy detection cancerous cells to the machine learning specially convolution neural network is employed to detect cancerous cell more in quickly, and to efficiently.

GLEAMS OF THE PROGRAMME:

The webinar was organized by Department of Chemistry and IQAC, PRMS Mahavidyalaya, to concentrate Cancer Research in worldwide, with a resident close to 1.3 billion, and increasing, is epidemiologically exciting and inspiring for health-care planners. The webinar intended to focused on cancer research, diagnosis and prevention. It aims to brought together students, teachers, and researchers working in science specially development of cancer research. It was very successful webinar in our college to learn about cancer. Thanks to all associated with this webinar.

PROGRAMME DETAILS:

Title: **Advance Materials for Mankind and Drugs for COVID 19**

Patron: Dr. Manas Ranjan Bhunia, President of G.B, Hon'ble Member of Parliament, Rajyasabha & Minister, MLA, West Bengal.

Chairman: Dr. Tapan Kumar Dutta, Principal, Sabang Sajanikanta Mahavidyalaya, Paschim Medinipur.

Chief Guest: Dr. Kuntal Kanti Chattaraj, TIC, PRMS Mahavidyalaya, Bankura.

Speakers: 1. Dr. Malabendu Jana, Assistant Professor, Dept. of Neurological Sciences, Rush University Medical Centre, USA.

2. Prof. Ajay Kumar Mishra, Dept. of Chemistry, Vidyasagar University, W.B.

3. Dr. Madhab Chandra Das, Associate Professor, Dept. of Chemistry, IIT Kharagpur, W. B.

4. Dr. Malay Kumar Rana, Assistant Professor, Department of Chemical Sciences, IISER Berhampur, India.

5. Dr. Harekrishna Bar, Convenor, Associate Professor, Department of Chemistry Sabang Sajanikanta Mahavidyalaya, Paschim Medinipur.

6. Dr. Madhumita Hazra, Convenor, Asst. Prof., Department of Chemistry, PRMS Mahavidyalaya, Bankura.

7. Dr. Prasun Kumar Pal, Organising Secretary, Associate Professor, Department of Chemistry Sabang Sajanikanta Mahavidyalaya, Paschim Medinipur.

PROGRAMME OBJECTIVE:

Corona virus is usually called as COVID-19 is a transmittable disease. This is a new virus and its spread ratio is very fast. COVID-19 was first recognized in December 2019 in Wuhan city of China. But now, this virus has spread to almost all the countries of the world. In March 2020, the World Health Organization (WHO) declared that COVID-19 is now a source of huge quantity of deaths across the World. The maximum common symptoms of Corona virus are fever, cough and shortness of breath. Some patients may have aches and pains and sore throat. Most people recover from the disease without requiring distinct treatment. Older people and those with underlying medical problems like high blood pressure, heart problems or diabetes are more likely to develop serious illness. Corona virus can spread through the contact with an infected person. A healthy person may get infected by breathing the virus if he is within a distance of 1 meter of a COVID-19 patient. COVID-19 is also spread if a person touches a contaminated surface and then touches his mouth or nose without washing his hand. COVID-19 Vaccines have been approved and broadly distributed in various countries since December 2020. Other recommended preventive measures include social distancing, wearing masks, improving ventilation and air filtration and quarantining those who have been exposed or are

symptomatic. Treatments include monoclonal antibodies, novel antiviral drugs and symptom control. Governmental interventions include travel restrictions, lockdowns, business restrictions and closures, work place hazard controls, quarantines, testing systems and tracing contacts of the infected. The pandemic triggered severe social and economic disruption around the world, including the largest global recession since the Great Depression. Widespread supply shortages including food shortages, were caused by supply chain disruption. Educational institutions and public areas were partially or fully closed in many jurisdictions, and many events were cancelled or postponed. Misinformation circulated through social media and mass media and political tensions intensified. The pandemic raised issues of racial and geographic discrimination, health equity and balance between public health imperatives and individual rights. Tourism collapsed due to travel restrictions, closing of public places including travel attractions and advice of governments against travel. Airlines cancelled flights, the cruise line industry was hard hit and train stations and ferry ports closed. The performing arts and cultural heritage sectors have been profoundly affected by the pandemic, impacting organisations operations as well as individuals both employed and independent globally. By March 2020, across the world and to varying degrees, museums, libraries, performance venues, and other cultural institutions had been indefinitely closed with their exhibitions, events and performances cancelled or postponed. During the period of lockdown, a feeling of fear has gripped the minds of the people, which is worse than Corona virus. People are so scared that they have lost their social nature. Some people don't want any guest to visit their home, because they fear that the guest may be infected with Corona virus. At the moment every person seems to be haunted by fear and all people are afraid of one another. Fear is deadlier sensation than corona virus, so people want to live in isolation and nobody wants to come in contact with other people, social feeling has become extinct. Keeping all the social problem we decide to arrange an international webinar in the crisis period.

PROGRAMME SCHEDULE:

3.00pm: Introductory speech by Dr. Harekrishna Bar, Convenor, Associate Professor, Department of Chemistry Sabang Sajnikanta Mahavidyalaya, Paschim Medinipur.

3.10pm: Welcome address by Dr. Tapan Kumar Dutta, Principal, Sabang Sajnikanta Mahavidyalaya, Paschim Medinipur.

3.20pm: Inaugural speech by Chief Guest, Dr. Kuntal Kanti Chattaraj, TIC, PRMS Mahavidyalaya, Bankura.

3.30pm: Lecture-1: Prof. Ajay Kumar Mishra, Dept. of Chemistry, Vidyasagar University, W.B.

4.15pm: Lecture-2: Dr. Madhab Chandra Das, Associate Professor, Dept. of Chemistry, IIT Kharagpur, W. B., India.

5.00pm: Lecture-3: Dr. Malay Kumar Rana, Assistant Professor, Department of Chemical Sciences, IISER Berhampur, India.

5.45pm: Lecture-4: Dr. Malabendu Jana, Assistant Professor, Dept. of Neurological Sciences, Rush University Medical Centre, USA.

7.15pm: Interactive Session

7.30pm: Vote of thanks by Dr. Madhumita Hazra, Convenor, Asst. Prof., Department of Chemistry, PRMS Mahavidyalaya, Bankura.

PROGRAMME OUTCOME :

In the late December 2019, a number of pneumonia cases of unknown origins emerged in Wuhan, Hubei province of China. These cases reported being connected to the Hunan Seafood Wholesale Market that sells many live animals. On 3 January 2020, a novel member of enveloped RNA coronavirus was identified in samples of bronchoalveolar lavage fluid from a patient in Wuhan and subsequently confirmed as the cause of this disease by the Chinese Center for Disease Control and on 7 January 2020, the World Health Organization (WHO) named it as the 2019 novel coronavirus (i.e., 2019-nCoV). On 11 February 2020, WHO named the illness associated with 2019-nCoV as the 2019 coronavirus disease (COVID-19). The Chinese reacted very fast and released the sequence of the virus on 11th January 2020. The disease has rapidly started spreading to other parts of China during late January and in late February 2020 it started spreading outside china very rapidly and the total cases of infection reported per day exceed china. The disease has rapidly spread, internationally to other parts of the world and many countries across 6 continents by the first week of March 2020. The WHO on 12th March 2020 released the news that the COVID-19 as a pandemic and declared COVID-19 a public health emergency of international concern (PHEIC). Declaring a PHEIC is an urgent call, at the highest level, for the international community to launch a global coordinated effort to stop the outbreak, which requires strong public health response, high-level political commitment and sufficient funding. As of 22 March 2020, a total of 337,553 COVID-19 cases in the world and 14,654 deaths occurred. Despite the worldwide spread, the epidemiological and clinical patterns of the COVID-19 remain largely unclear. As of 22 March 2020, a total of 396 COVID19 cases in India and 7 death was reported. To support the people, Dr. Madhumita Hazra and Dr. Harekrishna Bar, organised a webinar on COVID 19 Awareness on 12th September 2020. This interactive event was attended by Dr. Tapan Kumar Dutta, Principal, Sabang Sajanikanta Mahavidyalaya, Paschim Medinipur, Dr. Kuntal Kanti Chattaraj, TIC, PRMS Mahavidyalaya, Bankura, speakers and many faculty members and nearly 90 students. The speaker for the same was Dr. Prof. Ajay Kumar Mishra who works in the field of advance materials. Beginning with a general outlook on all types of virus, moved on to talk about the COVID 19 from different angle. Dr. Madhab Chandra Das speaks about the origin and spreading system of COVID 19. Dr. Malay Kumar Rana speaks about the symptoms of COVID 19, different drugs used and the preventive measures to be taken in order to reduce the risk of this disease. In the end, our abroad speaker, Dr. Malabendu Jana, Assistant Professor, Dept. of Neurological Sciences, Rush University Medical Center, USA, overall idea about the COVID 19 virus. Questions from the audience were taken up and which was very interesting.

GLEAMS OF THE PROGRAMME:

The webinar was organized Jointly by Department of Chemistry, PRMS Mahavidyalaya, Bankura and Department of Chemistry, Sabang SajaniKanta Mahavidyalaya, Paschim Medinipur, to concentrate COVID 19 in worldwide. The webinar intended to focused on COVID 19 research, diagnosis and prevention. It aims to brought together students, teachers, and researchers working in various field of science specially development of drugs, Vaccine and consumable which is used for COVID 19. It was very successful webinar in our college to learn about COVID 19. Thanks to all associated with this webinar.

Report on measures taken by the institute for cleaning and sanitization

As per the instruction issued by the Special Commissioner, Department of Higher Education, Government of West Bengal in respect to the above subject matter, this is to inform you that our institute has purchased the necessary equipments for sanitization and has been continuing the practice of cleaning and sanitizing the campus and classrooms regularly as precautionary measures against Covid-19 pandemic. Following are the details:

1. Hand wash, hand sanitizer, thermal gun, sanitizer spray gun, touch less sanitizer machine, masks etc are purchased.
2. The campus and classrooms are cleaned and sanitized with the help of local authorities thoroughly for several days before offline classes begin.
3. A sensitization programme for implementing Covid-19 protocols was organized involving faculty and staff members.
4. Arrangements are made for thermal scanning and sanitizer spray at the entry point of the premises. Also masks are provided as per the requirements.
5. Classrooms and office building are cleaned and sanitized at least once a week beyond class hours.
6. Proper maintenance of hygiene and hand sanitization is carried out in canteen, classrooms and throughout the campus.

We continue to maintain the Covid-19 preventive measures in our campus to keep on fighting this pandemic.

Thanking you,
Yours sincerely,

Seminar on “a central idea of euthanasia”

Date and time 20.1.2022. 12 p.m.

Venue. Google meet (online)

Students participated 35

Organized by.

Department of philosophy under the supervision a professor Kalpana Mitra and Ms. Sanghamitra Banerjee.

Agenda:

- Euthanasia and physician assisted suicide referred to a deliberate action taken with the intention of ending a life to relieve persistent pain, euthanasia is most often accomplished for pets by injection of a death inducing drug. The department of philosophy proudly presented its seminar on “A Central Idea of Euthanasia”. The seminar invited students to explore the complex interplay between ethics, law and societal and norms in the realm of euthanasia.

Principal
P.R.M.S. Mahavidyalaya
P.O. - Bhatkal, Bankura

Purpose of the seminar

The purpose of a seminar is to provide an opportunity for participants to gain knowledge and skills through lectures, discussion and other interactive activities.

The purpose of a seminar is to provide a platform for sharing and disseminating knowledge, ideas and insights among a group of individuals who have a common interest. It starts as an avenue for learning, dialogue, and exchange of perspective in a structured and interactive setting. Inspirational talks and keynote speeches delivered during seminars can rejuvenate individuals, offer different perspectives, and remind participants of the value and significance of their work.

Inaugural functions and seasons

In the inaugural season, our esteemed principal, Dr. Neelanshu Ghosh, shared his perspective on the necessity of such seminars for student enrichment. Additionally, our IQAC coordinator expressed their support for student led initiatives, highlighting the importance of seminars in fostering intellectual growth and critical thinking among students.

Overview on Swachh Bharat Abhiyan:

Swachh Bharat Abhiyan (Clean India Mission) is a nationwide campaign initiated by the Government of India in 2014, aiming to clean up the streets, roads, and infrastructure of Indian cities, towns, and rural areas. The mission emphasizes improving sanitation, eliminating open defecation, and promoting sustainable waste management practices. It was launched to commemorate the 150th birth anniversary of Mahatma Gandhi, who advocated for cleanliness and sanitation.

Necessity of Swachh Bharat Abhiyan:

1. **Reduction of Open Defecation:** Open defecation poses significant health risks, including the spread of infectious diseases and contamination of water sources. The mission aims to eliminate open defecation by constructing toilets and promoting their use, which is crucial for public health and dignity.
2. **Environmental Protection:** Unmanaged waste leads to pollution of land and water bodies. By promoting waste segregation, recycling, and proper disposal methods, Swachh Bharat Abhiyan helps protect the environment and promotes sustainable practice.
3. **Economic Benefits:** Improved sanitation leads to a healthier population, which in turn can reduce healthcare costs and increase productivity. Cleanliness also boosts tourism, as cleaner cities and tourist spots are more attractive to visitors.

Aims and Objectives of Swachh Bharat Abhiyan:

1. **Construction of Toilets:** Building household and public toilets to eliminate open defecation, particularly in rural areas and urban slums.
2. **Solid Waste Managements:** Establishing systems for waste segregation, collection, transportation, processing, and disposal. Promoting composting, recycling, and reduction of plastic use.
3. **Public Awareness Campaigns:** Conducting educational programs to raise awareness about the importance of cleanliness and hygiene. Using media, school programs, and community workshops to spread the messages.
4. **Behavioural Changes communication:** Encouraging behavioural changes through initiatives like the "Swachh Bharat Ambassadors" program, where public figures and community leaders promote the importance of sanitation.

REPORT

On 30th March, 2023, Pandit Raghunath Murmu Smriti Mahavidyalaya, NSS unit-I & II organized a successful blood donation camp on its campus. The event aimed to raise awareness about the importance of blood donation and to contribute to the noble cause of saving lives.

Aims of the Camp

Promoting Awareness: The primary goal of the camp was to motivate students and faculty members about the significance of voluntary blood donation in saving lives. **Encouraging Participation:** Encouraging active participation and fostering a culture of philanthropy and social responsibility among the students and staff.

Highlights of the Event

Collaboration with Blood Banks: The College NSS Unit collaborated with BS Medical college and hospital to ensure the smooth functioning of the camp. This collaboration facilitated the collection and storage of donated blood units.

Voluntary Participation: The response from the college community was overwhelming. Students, faculty, and staff actively participated by volunteering to donate blood, displaying a strong sense of altruism and compassion towards others.

Health Check-ups: Apart from blood donation, the camp also offered free health check-ups for the donors. This not only ensured the well-being of the participants but also promoted a culture of holistic healthcare within the college.

Impact and Future Initiatives

Lives Saved: The collected blood will go on to save many lives in hospitals and medical facilities. The camp's success will directly contribute to alleviating the shortage of blood in healthcare institutions.

Continued Engagement: The overwhelming success of the blood donation camp has inspired the college to plan more such initiatives in the future. The administration aims to make blood donation a regular feature on the college calendar, fostering a sustainable culture of altruism and service.

Conclusion

The blood donation camp at Pandit Raghunath Murmu Smriti Mahavidyalaya was a resounding success, marking a significant step towards promoting social responsibility and healthcare awareness among the students and staff. The events positive impact on the community and the potential lives it will save exemplify the profound impact of collective humanitarian efforts. As the college looks forward, it remains committed to integrating such initiatives into its core values, contributing to the larger fabric of social welfare and compassion.

In conclusion, the blood donation camp stands as a testament to the college's dedication to creating responsible and compassionate citizens, ready to make a meaningful difference in the world.

REPORT

World Aids Day observed annually on December 1st, is dedicated to raising awareness to the Aids pandemic caused by the spread of HIV infection. This year, the theme is closing the gap in HIV prevention and treatment. P.R.M.S. Mahavidyalaya of Bankura observed this event by involving young students in the awareness campaign. World AIDS Day is dedicated to raising awareness about the HIV/AIDS pandemic, remembering those who have lost their lives to the disease, and showing support for those living with HIV.

There are many ways to celebrate and observe World AIDS Day:

1. Education and Awareness: Host educational events or workshops to raise awareness about HIV/AIDS prevention, transmission, and treatment options.
2. Testing Campaigns: Organize HIV testing campaigns to encourage people to know their status and promote early diagnosis.
3. Community Events: Host community events such as rallies, marches, or candlelight vigils to show solidarity with those affected by HIV/AIDS.

Fundraising: Raise funds for HIV/AIDS research, treatment, and support services for people living with HIV/AIDS.

OUTCOMES:

The overall motive of the program was to raise awareness about health life and to spread the informative messages to all the risk group of young people in the community.

Overview on Swachh Bharat Abhiyan:

Swachh Bharat Abhiyan (Clean India Mission) is a nationwide campaign initiated by the Government of India in 2014, aiming to clean up the streets, roads, and infrastructure of Indians' cities, towns, and rural areas. The mission emphasizes improving sanitation, eliminating open defecation, and promoting sustainable waste management practices. It was launched to commemorate the 150th birth anniversary of Mahatma Gandhi, who advocated for cleanliness and sanitation.

Necessity of Swachh Bharat Abhiyan:

1. **Reduction of Open Defecation:** Open defecation poses significant health risks, including the spread of infectious diseases and contamination of water sources. The mission aims to eliminate open defecation by constructing toilets and promoting their use, which is crucial for public health and dignity.
2. **Environmental Protection:** Unmanaged waste leads to pollution of land and water bodies. By promoting waste segregation, recycling, and proper disposal methods, Swachh Bharat Abhiyan helps protect the environment and promotes sustainable practice.
3. **Economic Benefits:** Improved sanitation leads to a healthier population, which in turn can reduce healthcare costs and increase productivity. Cleanliness also boosts tourism, as cleaner cities and tourist spots are more attractive to visitors.
4. **Behavioural Changes:** The mission emphasizes changing attitudes towards cleanliness and sanitation through education and awareness campaigns. Encouraging personal responsibility for cleanliness can lead to long-term societal benefits.
5. **Public Health Improvement:** Poor sanitation is a leading cause of diseases like diarrhoea, cholera, and dysentery, particularly affecting children. Improved sanitation facilities reduce the prevalence of these diseases, contributing to better overall public health.
6. **Community empowerment:** Involving local communities in sanitation efforts empowers them to take charge of their environment. Community-led initiatives and participation ensure the sustainability of cleanliness efforts.

Aims and Objectives of Swachh Bharat Abhiyan:

1. **Construction of Toilets:** Building household and public toilets to eliminate open defecation, particularly in rural areas and urban slums.

2. **Solid Waste Managements:** Establishing systems for waste segregation, collection, transportation, processing, and disposal. Promoting composting, recycling, and reduction of plastic use.
3. **Public Awareness Campaigns:** Conducting educational programs to raise awareness about the importance of cleanliness and hygiene. Using media, school programs, and community workshops to spread the messages.
4. **Behavioural Changes communication:** Encouraging behavioral changes through initiatives like the "Swachh Bharat Ambassadors" program, where public figures and community leaders promote the importance of sanitation.
5. **Involvement of Technology:** Utilizing technology for monitoring and managing waste, as well as for spreading awareness through digital platforms.
6. **Corporate and NGO Participation:** Encouraging partnerships with businesses and non-governmental organizations to support sanitation projects and contribute resources.

REPORT

Dengue is a mosquito-borne viral infection prevalent in tropical and subtropical regions worldwide. It is caused by the dengue virus, which is transmitted mainly by *Aedes aegypti* mosquitoes. Symptoms range from mild fever to severe flu-like symptoms and, in severe cases, can lead to dengue haemorrhagic fever or dengue shock syndrome, both of which can be fatal.

Necessity of Dengue Awareness program:

1. **Prevention and control:** Awareness programs educate the public on preventive measures such as eliminating mosquito breeding sites, using mosquito repellents, and wearing protective clothing. Knowledge about these practices is crucial to control the spread of the virus.
2. **Early Detection and Treatment:** Educating communities about the symptoms of dengue encourages early medical consultation, which can prevent complications and reduce mortality rates. Awareness programs also inform about the importance of hydration and medical care.
3. **Reducing Economic Burden:** Dengue outbreaks can lead to significant healthcare costs and economic losses due to decreased productivity. Awareness programs can help reduce these financial burdens by preventing large-scale outbreaks.
4. **Community Involvement:** Effective dengue control requires community participation. Awareness programs can mobilize communities to take collective action, such as community clean-up drives to eliminate stagnant water where mosquitoes breed.
5. **Public Health Improvement:** These programs contribute to overall public health improvements by promoting general hygiene and environmental health practices that benefit the community beyond dengue prevention.

Key Components of Dengue Awareness Program:

- 1. Educational Campaigns:** Dissemination of information through posters, pamphlets, social media, and public service announcements about dengue transmission, symptoms, and preventive measures.
- 2. School/College Programs:** Integrating dengue education into school curricula to teach children about the importance of mosquito control and personal protection.
- 3. Community Workshops:** Organizing workshops and seminars in communities to demonstrate practical measures for mosquito control and to provide health education.
- 4. Health Worker Training:** Training healthcare professionals to recognize dengue symptoms early and to manage cases effectively, including the proper protocol for severe cases.
- 5. Collaboration With Media:** Partnering with local media to spread awareness messages widely and consistently, especially during peak transmission seasons.
- 6. Use of technology:** Leveraging mobile apps and SMS services to send reminders and information about dengue prevention and outbreaks to the public.

Some photosOf the Programme.

CONCLUSION:

Dengue awareness programs are essential to mitigate the impact of dengue fever on public health. By educating communities, promoting preventive measures, and facilitating early detection and treatment, these programs can significantly reduce the incidence and severity of dengue outbreaks. The collective effort of individuals, communities, healthcare providers, and governments is crucial in combating this disease effectively.

REPORT

Pandit Raghunath Murmu Smriti Mahavidyalaya has organized a Gardening programme on 5th August, 2018 with collaboration with department of Forestry. The lighting of lamp and offering of wreath was started by Dr. Kuntal Kanti Chatteraj followed by Bursar Mr. Tapas Halder and all other teachers, staff and students of the college. The TIC of PRMS Mahavidyalaya Dr. Kuntal Kanti Chatteraj provided a lecture about Gardening. Dr. Subhasis Mahata(HOD, Forestry department of PRMSM) delivered a special talk regarding this matter and he encourage the students for rapid gardening.

OBJECTIVES:

Gardening in our college campus can be both productive and nonproductive. But it's a choice. In a single day, most students spend almost 50 per cent of their time daily at the college campus. Therefore, it's essential to make the campus more live able and greener. A garden with a proper design has enormous benefits towards college residents or students. As the college campus consists of a huge area, there are lots of unused places or roadsides at the college campus which can be a good choice for planting trees. It will supply more oxygen to the environment, keep the air fresh and remove the monotony of the students as well as teachers.

OUTCOMES:

1. The volunteers have gained knowledge about the environment.
2. The volunteers inspired in model campus gardening.
3. They know about student's role in gardening activities.
4. Volunteers aware about the importance of green campus model.

REPORT

Pandit Raghunath Murmu Smriti Mahavidyalaya has organized a Clean Campus campaign on 20/12/2018 to educate and to promote civic sense among students' community. Extracurricular club students went to all the classes and briefed about the importance of cleanliness of the campus. Students were advised not to throw paper plates, water bottle, paper cups, tissues, and many unwanted things on campus Lawns, Library, cafeteria, umbrella canteen, garden, sitting Area, corridors, class rooms, pathway and other open areas which is very unhygienic to all of us. They were also informed to make the college campus & class rooms a beautiful place for one and it makes individuals healthier when the environment around them is healthy. The TIC of PRMS Mahavidyalaya Dr. Kuntal Kanti Chatteraj took the salute for NSS volunteer and provide a lecture about cleanness, and its benefits.

OBJECTIVES:

Clean Campus promotes Hygiene, it improves hygiene level in campus and also helps to reduce the spread of sickness, maintaining a clean college environment sets a good example to students. Cleanliness encourages learners to take pride in their college, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment. Cleanliness gives rise to a good character by keeping body, mind, and soul clean and peaceful. Maintaining cleanliness is the essential part of healthy living because it is the cleanliness only which helps to improve our personality by keeping clean externally and internally.

OUTCOMES:

More than 38 students and volunteers engaged themselves in various activities including cleaning the surroundings of administrative building, college ground, department buildings and library also. Apart from these, students were involved in removal of mesquite trees from the University campus and planting saplings in both academic and residential campuses. Awareness programmes and competitions were also conducted for students to bring about visible changes in the surroundings and to efficiently deal with waste disposal.

REPORT

The NSS Unit, Pandit Raghunath Murmu Smriti Mahavidyalaya, Jamboni, Bankura, West Bengal, celebrated 'World AIDS Day' on 1st December, 2019. The seminar was arranged on account of the special day. All the faculties and many students including the volunteers also participated in the programme.

World AIDS Day is dedicated to raising awareness about the HIV/AIDS pandemic, remembering those who have lost their lives to the disease, and showing support for those living with HIV. There are many ways to celebrate and observe World AIDS Day:

1. Education and Awareness: Host educational events or workshops to raise awareness about HIV/AIDS prevention, transmission, and treatment options.
 2. Testing Campaigns: Organize HIV testing campaigns to encourage people to know their status and promote early diagnosis.
 3. Community Events: Host community events such as rallies, marches, or candlelight vigils to show solidarity with those affected by HIV/AIDS.
- Fundraising: Raise funds for HIV/AIDS research, treatment, and support services for people living with HIV/AIDS

OUTCOMES:

The impact of an HIV awareness program can vary depending on various factors such as the target audience, the effectiveness of the messaging, the reach of the program, and the resources invested. Here are some potential results that an HIV awareness program could achieve: successful awareness program can increase knowledge and understanding about HIV/AIDS, including transmission methods, prevention strategies, and treatment options. This can empower individuals to make informed decisions about their health.

REPORT

Swachh Bharat Abhiyan (Clean India Mission) is a nationwide campaign initiated by the Government of India in 2014, aiming to clean up the streets, roads, and infrastructure of India's cities, towns, and rural areas. The mission emphasizes improving sanitation, eliminating open defecation, and promoting sustainable waste management practices. It was launched to commemorate the 150th birth anniversary of Mahatma Gandhi, who advocated for cleanliness and sanitation.

Necessity of Swachh Bharat Abhiyan:

- 1.Reduction of Open Defecation:** Open defecation poses significant health risks, including the spread of infectious diseases and contamination of water sources. The mission aims to eliminate open defecation by constructing toilets and promoting their use, which is crucial for public health and dignity.
- 2.Environmental Protection:** Unmanaged waste leads to pollution of land and water bodies. By promoting waste segregation, recycling, and proper disposal methods, Swachh Bharat Abhiyan helps protect the environment and promotes sustainable practice
- 3.Economic Benefits:** Improved sanitation leads to a healthier population, which in turn can reduce healthcare costs and increase productivity. Cleanliness also boosts tourism, as cleaner cities and tourist spots are more attractive to visitors.
- 4.Behavioural Changes:** The mission emphasizes changing attitudes towards cleanliness and sanitation through education and awareness campaigns. Encouraging personal responsibility for cleanliness can lead to long-term societal benefits.
- 5.Public Health Improvement:** Poor sanitation is a leading cause of diseases like diarrhoea, cholera, and dysentery, particularly affecting children. Improved sanitation facilities reduce the prevalence of these diseases, contributing to better overall public health.
- 6.Community empowerment:** Involving local communities in sanitation efforts empowers them to take charge of their environment. Community-led initiatives and participation ensure the sustainability of cleanliness efforts.

Aims and Objectives of Swachh Bharat Abhiyan:

- 1.Construction of Toilets:** Building household and public toilets to eliminate open defecation, particularly in rural areas and urban slums.

2.Solid Waste Managements: Establishing systems for waste segregation, collection, transportation, processing, and disposal. Promoting composting, recycling, and reduction of plastic use.

3.Public Awareness Campaigns: Conducting educational programs to raise awareness about the importance of cleanliness and hygiene. Using media, school programs, and community workshops to spread the messages.

4.Behavioural Changes communication: Encouraging behavioral changes through initiatives like the "Swachh Bharat Ambassadors" program, where public figures and community leaders promote the importance of sanitation.

5.Involvement of Technology: Utilizing technology for monitoring and managing waste, as well as for spreading awareness through digital platforms.

6.Corporate and NGO Participation: Encouraging partnerships with businesses and non-governmental organizations to support sanitation projects and contribute resource.

CONCLUSION:

Swachh Bharat Abhiyan is a crucial initiative for improving sanitation and hygiene in India. Its success hinges on the active participation of all sectors of society, including government, communities, businesses, and individuals. By addressing the critical issues of waste management and open defecation, the mission aims to create a cleaner, healthier, and more sustainable environment for future generations. The long-term benefits of this initiative, such as improved public health, environmental protection, and economic gains, underscore its importance for the nation's development.

P.O. - Jamboni, Dist. - Bankura

REPORT

The National Service Scheme (NSS) and Women's Cell of PRMS Mahavidyalaya jointly organized a workshop on Self-defence and Martial Arts for students and faculty members. The event aimed to empower participants with essential self-defences techniques and promote physical and mental well-being.

Resource Person:

1)Mr. Rakesh Paswan

2)Mrs. Arpita Paswan & others from SMIE Foundation

Duration: 11:00 a.m. to 2:15 p.m.

OBJECTIVES:

- Comprehensive training in self-defences techniques.
- Martial arts sessions focusing on discipline and concentration.
- Interactive discussions on personal safety and awareness.
- Demonstration of effective self-defences strategies.

OUTCOMES:

- Enhanced knowledge and skills in self-defences and martial arts
- Improved confidence and self-esteem among participants
- Increased awareness about personal safety and well-being
- Encouragement of physical fitness and mental discipline

Feedback:

- Participants praised the workshop for its engaging and informative content.
- Many expressed interests in continuing martial arts training.
- The event was deemed a success, with plans for future workshops.

Conclusion:

The Self-defence and Martial Arts Workshop was a resounding success, providing a valuable learning experience for all participants. The NSS and Women's Cell of PRMS Mahavidyalaya deserve appreciation for organizing this empowering event. We look forward to future initiatives promoting personal growth and well-being.

About the Add-on Course

PRMS Mahavidyalaya, Bankura West Bengal is committed to create an environment where students feel empowered to improve upon their learning behaviour for which mere academic inputs is not enough. Going beyond it, they are provided with the course that contributes in their capacity building by motivating them to train their inner self through emotional management, self-understanding and positive thinking. Yoga course can help students to strengthen their potentials.

The department of Sanskrit conducts a value added course in Yoga programme for students in view with making them conscious of the importance of physical and mental well-being.

Purpose of a course:

- To let students to know amazing health benefits of yoga
- To promote good mental health and physical health of students through yoga
- To let students know their rights of good health and healthy life style to completely enjoy the highest standard of physical health
- To make students aware of physical and mental disease and it's solutions through practicing yoga
- To link between protection of health and sustainable health development

Course duration: 30 hours

About the Certification Course

Since 2021-22 PRMS Mahavidyalaya offering 'the certificate course on "Yoga for health and wellness" specialized course which is certified by the college itself. It is an additional skill-based program for positive self-development and may be useful in future job application and Yoga is being actively promoted by the government of India through Ministry of AYUSH.

Yoga is essentially a spiritual discipline based on an extremely subtle science, which focuses on bringing harmony between mind and body. It is an art and science of being healthy living. Yoga is becoming a popular mode of wellness and it can be practiced for self-benefit as well as to help others.

Purpose of a course:

- The Main aim of yoga is to integrate the body, mind, and thoughts so as to work for good ends
- Yoga will pave the way for an individual to do any action peacefully and perfectly.
- By practicing yoga, the mind will get sharpened and concentration and memory power may develop. Thus, minds could be canalized for thinking the right good thoughts. Then the good and healthy thoughts will develop in the right direction.
- Through systematic and regular Yogic practices, the body may be made healthier and its resistance power to fight against the diseases could be enhanced
- To let students know their rights of good health and healthy life style to completely enjoy the highest standard of physical health
- To make students aware of physical and mental disease and it's solutions through practicing yoga

Course duration: 30 hours

BANKURA, W.B. - 722150

About The Certification Course

From August 11–August 18, 2022, at PRMS Mahavidyalaya, Baragari, Bankura, West Bengal, the "Certificate Course on Identification of Local Medicinal Plants and Their Use" was successfully held. The primary goals of the event's organization were to draw attendees' attention and create a knowledge bridge connecting the theoretical knowledge found within four walls to the real-world applications of scientific study in defining medicinal flora and their uses. Even though there were just 55 participants enrolled in the certificate program, the session was very engaging and a progression where the knowledgeable specialists presented eye-opening facts, stories, and phrases.

Among the experts teaching the certificate course are Dr. Shekar Banerjee (Ex- Associate Professor, Bankura Sammilani College), Mr. Sushanta Jana and Dr. Subhasis Mahato. The program commenced with the PRMS Mahavidyalaya principal lighting a lamp. The head of the forestry department, Dr. Subhasis Mahato, gave a welcome speech after that. Mr. Sushanta Jana then led a vote of appreciation to end the first portion of the inauguration ceremony.

The certificate course started with a combination of knowledge from diversified fields of expertise. Dr. Subhasis Mahato, Head of Forestry Department, is talking about the taxonomical identification of the important medicinal tree species, i.e., *Azadirachta indica* (Neem), *Termanalia chebula* (Hartaki), *Terminalia bellirica* (Bahara), *Phyllanthus emblica* (Amla), etc. Mr. Sushanta Jana is talking about the taxonomical identification of the important medicinal herb and shrub species, i.e., *Andrographis paniculata* (Kalmegh), *Ocimum sanctum* (Tulsi), *Cissus quadrangularis* (Harjora), *Rauwolfia serpentina* (Sarpagandha), *Withania somnifera* (Ashwagandha), etc. Dr. Shekar Banerjee shared their knowledge and experience about how medicinal plants help people increase their income. The certificates distributed to participants from PRMS Mahavidyalaya after successful completion of the course.

Outcomes of Certificate Course:-

- Promotion of cultivation, conservation and management of medicinal plants.
- The conserve the biodiversity of medicinal plants.
- Identify Medicinal plant and Herbal drugs.
- Develop awareness for utilization of herbal medicines for home remedies.
- Giving the information to participants about various policies run by the Government regarding the medicinal plants.

Title: Certificate Course on Identification of Local Medicinal Plants and Their Use.

In 2022-2023, PRMS Mahavidyalaya is offering this specialized training program which is certified by the College itself.

Organised by: Forestry Department . PRMS Mahavidyalaya

Course Duration: 31 Hours

Introduction:

The certificate course on the Identification of Local Medicinal Plants and Their Use was designed to equip participants with the knowledge and skills necessary to identify common medicinal plants (Tree, Shrubs and Herbs) in their local environment and understand their traditional and contemporary uses.

Course Overview:

Duration: The course spanned over 30 Hours

Delivery Method: The course was delivered through a combination of lectures, practical field trips, and hands-on demonstrations.

Topics Covered: The course covered a range of topics including plant identification techniques, medicinal properties of plants, preparation methods, and ethical considerations in harvesting medicinal plants.

Course Objectives:

1. To provide knowledge to identify common medicinal plants.
2. To educate on the traditional and contemporary uses of those plants.
3. To promote the conservation and management of locally available medicinal plant through awareness and sustainable usage.
4. Promoting the Ayurveda in Jangal Mohal area

Course Structure and Curriculum for this Add-on Course

DATE	CONTENT	TIME
11-07-2022	Inaugural Programme	9:00 AM-10:00 AM
Monday	Introductory class about medicinal plant and ethno-medicinal uses.	10:00 AM - 12:00 PM
12-07-2022	Theory class about Tree medicinal plant	09:00 AM-11:00 AM
Tuesday	Practical Classes- Visit local forest and Identification of Tree medicinal plant	3:30 PM-5:00PM
13-07-2022	Theory class about Shrubs medicinal Plants	09:00 AM-11:00 AM
Wednesday	Practical Classes- Visit local forest and Identification of shrub medicinal plant	3:30 PM-5:00PM
14/07/2022 Thursday	Theory class about Herbs medicinal plants	09:00 AM-11:00 AM
	Practical Classes- Visit local forest and Identification of herb medicinal plant	3:30 PM-5:00 PM
15-07-2022	Theory class -Traditional use of medicinal plant	09:00 AM-11:00 AM
Friday	Practical class- Visit one village and try to collect information form old people regarding medicinal plants	3:30PM-5:00 PM
	Theory class on medicinal plant and home garden relationship	09:00 AM-11:00 AM
16-07-2022		3:30 PM-5:00 PM
Saturday	Practical Classes -Visit local traditional home garden	11:00 AM-4:00PM
17-07-2022 Sunday	Field trip of local forest -identification of medicinal plant	08:30 AM-10:30 AM and 3:00PM-5:00 PM
18-07-2022 Monday	Theory and Practical Classes-Nomenclature of medicinal plant, traditional preparation method, conservation and management.	09:00 AM-11:00 AM-
18-07-2022 Tuesday	Assessment and valedictory	

Assessment / Examination

1. Step 1 – Practical Examination
2. Step 2 – Viva-voce conducted by the college

Certification: The certificates will be provided to participants from PRMS Mahavidyalaya after successful completion of the course.

ICT SKILLS ENHANCEMENT ACTIVITIES ORGANIZED FOR THE CAPACITY BUILDING OF THE STUDENTS

Report on ICT / Computing Skill

Pandit Raghunath Murmu Smriti Mahavidyalaya acknowledges the significant impact of technology in our lives and recognizes the necessity of integrating new technological tools to foster innovation within our institution. By doing so, we enhance information flow, boost student engagement, and streamline processes, creating a more efficient and effective learning environment.

We have incorporated technology through the use of the ICT format, which facilitates seamless communication between teachers and students. This system provides quick access to shared resources for the entire educational community, enhancing the overall learning experience and preparing students for a technology-driven future.

Moreover, digital tools allow for direct and immediate communication, even in the absence of physical presence. This capability was especially crucial during the Covid Crisis, when remote learning became essential. By leveraging technology, we ensured that our students continued to receive a quality education, regardless of their location.

Additionally, for the development of the students' ICT/computing skills P. R. M. S. Mahavidyalaya conducted add-on courses related to ICT.

- Course on Web Development using PHP (in 2021 - 2022 session)
- Course on Python Programming (in 2022 - 2023 session)

Beside these, courses related to ICT/computing skills are integrated in the curriculum of multiple departments, e.g. Computer Science, Physics, Mathematics, Forestry. The college also conducted seminars, webinars and workshops for enhancing the ICT or Computing skills, such as,

Two days workshop on 'Enhancement of Computer Skills for Teaching and Non-teaching Staffs', Seminar on 'Basic Understanding of Computer Operation' etc.

Some glimpse of the programme

OBJECTIVES:

- 1.To improve confidence and Presentation skill among the student.
- 2.To acquire the required knowledge in particular field.
- 3.To encourage the students to explore new areas relevant to the topic.
- 4.To give a clear idea of Open Source Software and it's uses.
- 5.To distinguish copyright and patent, and discuss the nature of international law related to it
- 6.They understood the benefits of switching over to Open Source Software in their daily life

OUTCOMES:

1. Seminar gave a clear idea of Open Source Software and related legal matters.
2. This session became very interactive and all the participants are very much enriched from this seminar.
3. This seminar has been given immense influences among the students regarding their views about Open Source Software

DEPARTMENT OF COMPUTER SCIENCE

About the workshop:

A One day workshop on "Enhancement of computer Skills for Teaching & Non-Teaching Staff" has been conducted on 16-17th Nov 2021, at PRMS MAHAVIDYALAYA in order to enhance basic Computer skills for Teaching & Non-Teaching staff of P.R.M.S MAHAVIDYALAYA. This workshop has been sponsored by IQAC, PRMS MAHAVIDYALAYA. This workshop was arranged to serve one of the objective of IQAC that is enhancing institutional and system management effectiveness.

Date and Venue: The workshop took place on 16-17th NOV 2021 at the Computer Science Department of PRMS Mahavidyalaya.

Participant's Profile: A total of 30 delegates from different Department, were participated. Among the participants 10 were women and 20 were men.

Course Content:

MS Word: Overview, creating, saving, opening, importing, exporting, and inserting files, formatting pages, paragraphs and sections, indents and outdents, creating lists and numbering. Headings, styles, fonts and font size, editing, positioning, viewing texts, searching and replacing text, inserting page breaks, page numbers, bookmarks, symbols, and dates. Using tabs and tables, header, footer and printing.

MS Excel: Worksheet overview, entering information, worksheet creation, opening and saving workbook, formatting numbers and texts, protecting cells, producing charts, and printing operations. Application of Excel for obtaining statistical parameters, Mean, Median, Mode, average, co-relation, Regression.

Principal
P.R.M.S. Mahavidyalaya
Barage, -710001
Dist. Bankura

MS Access: Introduction, understanding databases, creating tables, queries, forms, reports, adding graphs to your reports

PowerPoint: Slide creation with PowerPoint.

Free and open source Software: Methodologies of Free and open source Software, Social Impact, Case Study On Open Office, GitHub.

Training Team & Organizing Team: The members of the training team were Tapas Sangiri, Computer science Department, PRMS Mahavidyalaya; Monojit Kundu Computer science Department, PRMS Mahavidyalaya. Entire program was coordinated by Mr. Tapas Kumar Sangiri (Convener) with the support all the faculty members of the Pandit Jaghunath Murmu Smriti Mahavidyalaya

Module of The Program

Day Session wise	Topic	Mode	RP's
Day 1- (16th OV.)(Morning)	MS Word	Demonstration, Discussion & Open Session	Monojit Kundu Tapas Sangiri
Day 1- (16th OV.)(Afternoon)	MS Excel	Demonstration, Discussion & Open Session	Monojit Kundu Tapas Sangiri
Day 2- (17th OV.)(Morning)	PowerPoint & MS ACCESS	Demonstration, Discussion & Open Session	Monojit Kundu Tapas Sangiri
Day 2- (17th OV.)(Afternoon)	Free and open source Software	Demonstration, Discussion & Open Session	Monojit Kundu Tapas Sangiri

Feedback: We received good response from the audience and also they gave very good feedback. All the lectures were very interactive and the speakers answered many queries raised by the participants. All teaching and non-teaching staff expressed their gratitude to staff of department of Computer Science for Organizing workshop on computer Skills

Outcomes from the Workshop: After successful completion of the workshop participants learned 1. Computer Skills 2. Demonstrating the mechanics and navigation of an Excel spreadsheet 3. performing editing functions, formatting text, copy and moving objects and 4. Learned to represent presentation themes.

Dist.-Bankura

Seminar on "Basic Understanding of Computer Operation"

Date and Time: 30.10.2021 from 12:00 PM to 1:00 PM

Venue: Google Meet (Online)

Participants: Students from Department of Political Science and Department of Philosophy

Students participated: 45

Organized By: Department of Philosophy and Department of Political Science

Speaker: Manali Ghosh (Working as Principal Data Engineer in USA and holds Master in Computer Science degree from University of North Carolina at Charlotte, USA)

Agenda:

The seminar on the "Basics of Computer Science" was an enlightening session tailored specifically for students hailing from non-computer science backgrounds. Students were introduced to fundamental concepts in computing, aimed at demystifying the intricate world of technology. Through engaging presentations and interactive discussions, participants gained insight into many essential topics. The session provided a solid foundation, bridging the gap between novices and the realm of computer science, empowering students with the knowledge to navigate the digital landscape with confidence.

Principal
P.R.M.S. Mahavidyalaya
Saragan, P.O. - Jamboni,
Dist. - Bankura

Purpose of the Seminar

- Offers a comprehensive overview of fundamental computer science concepts.
- Provides a bridge for students from non-computer science backgrounds to enter the field.
- Equips students with essential knowledge to navigate the digital landscape.
- Creates an interactive learning environment through engaging presentations and discussions.
- Encourages critical thinking and analytical skills development in the context of computer science
- Addresses common misconceptions and demystified complex technological concepts
- Cultivates a supportive learning community for students to ask questions and share insights

Dist. - Bankura

Summary from the Seminar

The seminar on " Basic Understanding of Computers," took place virtually via Google Meet on January 5th, 2022, amidst the COVID-19 lockdown. Organized under the guidance of Prof. Kalapana Mitra, Head of the Department of Philosophy, and Prof. Santimay Khan, Head of the Department of Political Science, it commenced with an insightful address from our esteemed Principal, Dr. Neelanshu Ghosh, highlighting the significance of the event. Following this, the IQAC coordinator delivered a brief talk on the same subject. The main session featured a one-hour presentation by Manali Ghosh, who is working as a Principal Data Engineer in the US and also holds a Master's degree in Computer Science from the University of North Carolina, Charlotte, US. Ms. Ghosh elaborated on the fundamentals of computer systems, emphasizing their crucial role in education, global connectivity, job searches, and pursuing higher education. The seminar underscored the indispensable role of computers in shaping students' careers. This was an interacting question/answer session between the students and the speaker where the students got the opportunity to ask various questions on the computer.

Principal
P.R.M.S. Mahavidyalaya
Tirajgarh, P.O.- Jamboni,
Dist.- Bankura

Outcome of the seminar

- Increased participants' confidence in engaging with basic computer science concepts.
- Sparked curiosity among attendees to delve deeper into computer science-related subjects.
- Enhanced problem-solving abilities through the application of computational thinking principles.
- Empowered students to incorporate computational techniques into their academic and professional pursuits.
- Fostered interdisciplinary connections by illustrating the relevance of computer science in various fields.
- Cultivated a supportive network among students from diverse academic backgrounds interested in computer science.

ICT/COMPUTING SKILLS IN THE CURRICULUM OF FORESTRY

Semester I (13) - 42 Credit Hours including 2 Non-Credits

S.No.	Course	Credit
1	SA 101	Introduction to Forestry
2	SA 102	Principles of Agriculture
3	NR 101	Introduction to Agriculture and Forestry with an
4	NR 102	Emphasis on Communication & Leadership Training
5	IS 101	Information and Communication Technology
6	IS 102	Computer and Software Development
7	IS 103	Internet Technology & Network Management
8	IS 104	Computer Security & Malware
9	IS 105	Physical Education I
10	IS 106	Physical Education II
	TOTAL	12-0

5. Information and Communication Technology (21+0) Theory

Introduction to computers, hard ware and soft ware, basic works of computer, operating systems, DOS, WINDOWS, commands for managing files, Windows computer like icons, desktop, My Computer, recycle bin, My Documents, task bar, start menu options. Familiarizing with MS OFFICE (MS Excel, MS Word, MS PowerPoint). Introduction to PGSS for OS and for work related to wood processing, spreadsheet and presentation. Introduction to team and internet and its applications. Introduction to statistical packages and image processing software. Audio visual aids - definition, advantages, classification and choice of A/V aids, code of experience and criteria for selection and evaluation of A/V aids, video conferencing. Communication process, Barbi's model, feedback and barriers to communication.

Practical

Exercises on binary number system, algorithm and flow chart; MS Word, MS Excel, MS Power Point. Internet applications: Web browsing, Creation and operation of Email accounts, Analysis of fisheries data using MS Excel. Handling of audio visual equipments. Plotting, preparation, presentation of posters, charts, overhead transparencies and slides. Organization of an audio visual programme.

NOTICE

It is hereby informed to all the students of the PRMS Mahavidyalaya that Add on course on "Web Developenet Using PHP "will be started in the Department of Computer Science, PRMS Mahavidyalaya, Baragari from 20th April,2022 onwards. Interested students are therefore requested to submit their name and details to the HoD on or before 15th April 2022.

Certificate will be issued to the participants on completion of the course.

Eligibility Criteria

1. The candidate should have passed the 12th standard from recognized board or institute.
2. Enrollment in PRMS Mahavidyalaya under Bankura University.
3. Basic Computer Knowledge.

SYLLABUS FOR THE ADD ON COURSE IN "WEB DEVELOPMENT USING PHP "PROGRAMMING

Day	Theory	Practical	Duration
1	Introduction to PHP	Evaluation of Php, Basic Syntax, Defining variable and constant, Php Data type, Operator and Expression.	3HOURS
2	Decisions and loop	Making Decisions, Doing Repetitive task with looping, Mixing Decisions and looping with Html	3HOURS
3	Java Script,Ajax,CSS	PHP scripts to handle HTML forms.	3HOURS
4	Function&Array	What is a function, Define a function, Call by value and Call by reference, Recursive function, String Creating and accessing, String Searching & Replacing String, Formatting String	3HOURS
5	XAMPP SERVER,Joomla	Capturing Form, Data Dealing with Multi-value filed, and Generating File uploaded form, redirecting a form after submission	3HOURS
6	Handling Html Form with Php	Capturing Form, Data Dealing with Multi-value filed, and Generating File uploaded form, redirecting a form after submission.	3HOURS

7	Working with file and Directories	Understanding file & Directory, Opening and closing, a file, Coping, renaming and deleting a file, working with directories, Creating and deleting folder, File Uploading &	3HOURS
8	Database Connectivity with MySql	Introduction to RDBMS, Connection with MySql Database, Performing basic database operation (DML) (Insert, Delete, Update, Select),	3HOURS
9	. Exception Handling	Understanding Exception and error, Try, catch, throw. Error tracking and debugging	3HOURS
10	Web Hosting	Install PHP. Set Up a Database. Install a Control Panel. ... Configure Security. Upload Your Website	3HOURS

About the Course

Department of Computer Science P.R.M.S Mahavidyalaya organized a certificate course on Web Development using PHP from April 20–April30, 2022. The primary goals of this certificate course was to motivate the students towards web-developer Job etc& learning programming language among the student mainly coming from non-CS-IT background.

The programme started on April 20,2022 at 2.00 pm with the welcome address by Dr Neelangshu Ghosh, He emphasized the need of organising certification course on Web Development at our College. The other dignitaries on the dias were Mr Anish Chakrabarty, H.O.D Department of Physics ,Mr Tapas Haldar ,H.O.D Department of Mathematics. Introduction of the programme was given by Mr Tapas Sangiri. He highlighted the applications of PHP in the Web Development. He mentioned the huge scope of PHP oriented job in the Industry. Entire Course was coordinated by Mr. Tapas Kumar Sangiri) with the support all the faculty members of the Pandit Raghunath Murmu Smriti Mahavidyalaya. The certificates distributed to participants from PRMS Mahavidyalaya after successful completion of the course.

Title : Certificate Course on Web Development using PHP

Since 2021-2022, PRMS Mahavidyalaya is offering this specialized training program which is certified by the College itself.

Objectives:

The objectives of this course are as follows:

- (1) To motivate the students towards web-developer Job etc& learning programming language among the student mainly coming from non-CS-IT background
- (2)PHP is an open source Web Development Language. Its completely free of cost and. It is widely-used Programming Language& one of the best user-friendly programming language in the industry. It is easy to learn even if you have less programming skills
- (3)There is a huge scope of freelance web developer job in the industry.
- (4)PHP runs on different platforms (Windows, Linux, Unix, Mac OS X, etc.)
- (5)PHP is compatible with almost all servers used today (Apache, IIS, etc.)
- (6)PHP has support for a wide range of databases

Participant's Profile: A total of 30 students from different Department , were participated.

Course Description: PHP hypertext pre-processor is a server side programming language that you insert into documents such as HTML files, which may contain DHML, JavaScript, and Java, CSS. PHP is great for creating pages on the fly and can be used to make guest books, message boards, and other interactive pages. Learn the programming aspect of PHP, variables, operators, hashes, arrays, and control structures.

Course Duration : 31 Hours

Curriculum for this Add-on Course

DATE	CONTENT	DURATION
20.04.2022	Inaugural Programme	2.00 P.M. TO 3.00 P.M.
	Introduction to PHP	3.20 P.M. TO 5.20 P.M.
21.04.2022	Decisions and loop	2.00 P.M. TO 5.20 P.M.
22.04.2022	Java Script, Ajax, CSS	2.00 P.M. TO 5.20 P.M.
23.04.2022	Function&Array	2.00 P.M. TO 5.20 P.M.
24.04.2022	XAMPP SERVER, Joomla	2.00 P.M. TO 5.20 P.M.
25.04.2022	Handling Html Form with PhP	2.00 P.M. TO 5.20 P.M.
26.04.2022	Working with file and Directories	2.00 P.M. TO 5.20 P.M.
27.04.2022	Database Connectivity with MySql	2.00 P.M. TO 5.20 P.M.

28.04.2022	Exception Handling & Session and Cookie	2.00 P.M. TO 5.20 P.M.
29.04.2022	PHP WEB Hosting	3.00 P.M. TO 5.20 P.M.
30.04.2022	Assessment	2.40 P.M. TO 4.00 P.M.

Assessment / Examination

1. Step 1 – Practical Examination
2. Step 2 – Viva-voce conducted by the college

Certification

The students will be given certificates from PRMS Mahavidyalaya after successful completion of the course.

Course Learning Outcomes: After successful completion of the Course a student will be able to: 1.Learn the basics and history of PHP and how to write your own PHP documents. 2. Explain the connection between HTML forms and PHP scripts 3.Write regular expressions including modifiers, operators, and met characters. 4.Create PHP programs that use various PHP library functions, manipulate files and directories. 5.Write PHP scripts to handle HTML forms6. Interface a PHP script with an MySQL database 7..PHP website hosting 8. Describe PHP, it's positioning and usefulness for the web

Feedback: We received good response from the students and also they gave very good feedback. All the lectures were very interactive and the facilitator answered many queries raised by the participants. All students expressed their gratitude to staff of department of Computer Science for Organizing Certificate Course on computer Skills

Concluding Remarks: We would like to express our sincere gratitude to our principal Dr. Neelangshu Ghosh, whose guidance has contributed to the successful execution of Certification Course. We would like to acknowledge our obligation to Rajib Kar ,Department of Economics for their enormous cooperation in the organisation of this Certification Course.

NOTICE

It is hereby informed to all the students of the PRMS Mahavidyalaya that Add on course on "Python Programming" will be started in the Department of Computer Science, PRMS Mahavidyalaya, Baragari from 11th of Oct, 2022 onwards. Interested students are therefore requested to submit their name and details to the HoD on or before 29th of Sept 2022.

Eligibility Criteria

1. The candidate should have passed the 12th standard from recognized board or institute.
2. Enrollment in PRMS MAHAVIDYALAYA under BANKURA UNIVERSITY.
3. Basic Computer Knowledge.

SYLLABUS FOR THE ADD ON COURSE IN PYTHON PROGRAMMING

Day	Theory	Practical	Duration
1	Introduction to Python Programming	Setup of Python IDE	3hours
2	Variables and Data Types, Python Identifiers, Keywords, Reading Input, Output Formatting	Programming practical	3hours
3	Operators & Decision Making in Python	Programming practical	3hours
4	Loops & Numbers in Python	Programming practical	3hours
5	Lists,Tuples,Dictionary in Python	Programming practical	3hours
6	Functions,modules,File I/o,Exceptions	Programming practical	3hours
7	Classes and Objects in Python	What is class in Python with example program	3hours
8	Regular Expression	Example program	3hours
9	GUI Programming	PyQt5. Tkinter	3hours
10	Data Science & Python	NumPy. SciPy.	3hours
11	Data Science & Python	TensorFlow. Pandas.	3hours

About The Certification Course

From Oct11–Oct21, 2022, at PRMS Mahavidyalaya, Baragari, Bankura, West Bengal, the "Certificate Course on Python Programming" was successfully held. Among the resource person of the certificate course are Mr. Tapas Sangiri and Mr. Monojit Kundu. The program commenced with the PRMS Mahavidyalaya principal lighting a lamp. The head of the Computer Science Department, Mr. Monojit Kundu, gave a welcome speech after that. Mr. Tapas sangiri then led a vote of appreciation to end the first portion of the inauguration ceremony. The certificate course started with a combination of knowledge from diversified fields of Python programming & Data science. The certificates distributed to participants from PRMS Mahavidyalaya after successful completion of the course.

Participant's Profile: A total of 30 students from different Department, were participated.

Feedback: We received good response from the students and also they gave very good feedback. All the lectures were very interactive and the facilitator answered many queries raised by the participants. All students expressed their gratitude to staff of department of Computer Science for Organizing Certificate Course on computer Skills.

Title: Certificate Course on Python Programming

Since 2022-2023, PRMS Mahavidyalaya is offering this specialized training program which is certified by the College itself.

Course Duration: 31 Hours

Objectives:

The objectives of this course are as follows:

- (1) Python is a high-level, general-purpose and a very popular programming language. Python programming language is being used in web development, Machine Learning applications, along with all cutting-edge technology in software industry.
- (2) To visualize the scientific equations and their plots so that the student can understand their abstract learning.
- (3) To motivate the students towards research/project/dissertations/R and D etc& learning programming language among the student coming from non-CS-IT background.
- (4) To encourage students to take part in different congress/conference/workshop/ seminar/Symposium etc.

Curriculum for this Add-on Course

Certification/ Award

The students will be given certificates/Awards from PRMS Mahavidyalaya after successful completion of the course.

Outcomes from the Course: After successful completion of the workshop participants learned: 1. Computer Skills using python.2.Demonstrating the basic mechanics of data science .3.performing GUI programming using Python.4 Learned to represent presentation themes

Concluding Remarks: We would like to express our sincere gratitude to our principal Dr. Neelangshu Ghosh, whose guidance has contributed to the successful execution of Certification Course. We would like to acknowledge our obligation to Rajib Kar ,Department of Economics for their enormous cooperation in the organisation of this certification Course.
