## **INTRODUCTION:**

The celebration of International Women's Day is not only important but also necessary for several reasons:

1. **Recognition of Women's Achievements:** International Women's Day provides an opportunity to celebrate the social, economic, cultural, and political achievements of women around the world. It highlights the contributions of women in various fields and recognizes their accomplishments, often in the face of adversity and discrimination.
2. **Advancement of Gender Equality:** Despite progress in recent decades, gender inequality persists in many parts of the world. International Women's Day serves as a reminder of the ongoing struggle for gender equality and women's rights. It raises awareness about issues such as gender-based violence, unequal access to education and healthcare, and barriers to economic empowerment, fostering dialogue and action to address these challenges.
3. **Empowerment and Inspiration:** International Women's Day inspires women and girls to pursue their dreams, overcome obstacles, and achieve their full potential. It provides a platform for sharing stories of resilience, leadership, and empowerment, motivating others to take action and effect positive change in their own lives and communities.
4. **Solidarity and Unity:** International Women's Day brings together individuals, organizations, and communities from diverse backgrounds to stand in solidarity with women and girls worldwide. It promotes unity and collaboration across borders, cultures, and generations, emphasizing the importance of collective action in advancing gender equality and women's rights.

5. **Policy Advocacy and Social Change:** International Women's Day amplifies advocacy efforts and mobilizes support for policies and initiatives that promote gender equality and women's empowerment. It provides an opportunity to lobby governments, policymakers, and institutions for legislative reforms, investment in gender-responsive programs, and the implementation of international commitments such as the Sustainable Development Goals.
6. **Reflection and Renewed Commitment:** International Women's Day encourages reflection on progress made towards gender equality and the work that remains to be done. It prompts individuals and organizations to recommit themselves to the cause of women's rights, reevaluate strategies, and take concrete steps to accelerate progress towards a more inclusive and equitable society.

### CONCLUSION:

In conclusion, health awareness programs are invaluable tools for promoting public health and well-being. By educating individuals and communities about preventive measures, risk factors, and healthy behaviors, these programs empower pupils to take control of their health and make informed decisions. They play a crucial role in preventing diseases, detecting health conditions early, reducing health disparities, and promoting health equity.

Health awareness programs also contribute to stigma reduction, public health preparedness, and the creation of supportive environments for health. They have the potential to generate long-term cost savings by reducing the burden of preventable diseases and healthcare expenditures.

## INTRODUCTION

On 12th January 2020, the NSS unit of Pandit Raghunath Murmu Smriti Mahavidyalaya, Bankura celebrated the National Youth Day. The National Youth Festival in India is an annual celebration held by the Ministry of Youth Affairs and Sports, in collaboration with a different state each year from January 12-16 to commemorate Swami Vivekananda's birthday and National Youth Week. Started in 1995, now inspires state-level youth festivals throughout India. The event focuses on fostering cultural understanding, peace, development, and provides nationwide exposure for youth talent and aspirations. Mr. Tulsi Das Mahata (P.O.) delivered a special lecture about Youth Day and its applicability in modern society. The lighting of lamp and offering of wreath was started by TIC Dr. Kuntal Kanti Chatteraj followed by Bursar Mr. Tapas Halder and all other teachers, staff and students of the college. Dr. Kuntal Kanti Chatteraj also delivered a valuable talk regarding this matter.

The event commenced with a melodious song and group dance. with. Swami Vivekananda emphasized the importance of building strong character, physical, mental, and spiritual. This philosophy aligns perfectly with the festival's focus on holistic development, encouraging young people to excel not just in competitions but also in their personal lives. This was followed by a fun quizzing game organized by NSS, the quizzing game proved to be a highly engaging and enjoyable activity for all participants. The lively competition sparked keen interest and generated much friendly rivalry, culminating in a thoroughly delightful experience for everyone involved.
